

# North Central Wisconsin School-to-Career Partnership

## Youth Apprenticeship (2 year) Technical College Credit

All students who graduate with a grade of A or B from a youth apprenticeship and have the state apprenticeship certificate are eligible for advanced standing at all Wisconsin technical colleges **if** they enroll in the corresponding technical college program. The following list gives the minimum number of advanced standing credits available; in some cases, more credits will be awarded.

YOUTH APPRENTICESHIP	MINIMUM CREDITS (STATE-WIDE)	CREDITS GRANTED BY NTC	COMMENTS
Auto Collision Repair	6	6	
Automotive Technician	6	7	404-103A Auto Electrical 1 – 2 credits 404-106A Auto Brakes 1 – 2 credits 404-109A Auto Suspension & Alignment 1 – 2 credits 404-121A Auto Engine Performance – 1 credit
Automotive Technology	6	8	All of the above and 404-124 Intro to Auto Mechanics – 1 credit (elective)
Drafting/Design - Architecture	6	6	Electives
Drafting/Design – Engineering Applied Engineering Technology	6	6	Electives
Drafting/Design - Mechanical Design Mechanical Design Technician	6		Electives
Finance	9		
Graphic Arts – Printing	6	6	Agreements with high schools: 204-112 Intro to Printing – 2 credits 103-107 Intro to MAC – 1 credit 1 <sup>st</sup> Year YA – 2 credits elective 2 <sup>nd</sup> Year YA – 1 credit elective
