

As part of NTC's health program Petition Process, students who live within the NTC district are given first priority for selection into core health program courses. To determine if you have NTC district residency, please (1) identify the county in which you reside and then (2) identify your city (C), township (T) or village (V). If you do not see your community listed under the county, or you do not see the county in which you reside listed, you do not reside in the NTC district.
