Finding Articles – Ebsco Results

The screenshot shows the Ebsco search results interface. At the top, there is a navigation bar with options like 'Sign In to My EBSCOhost', 'Folder', 'New Features!', 'Help', and 'Exit'. Below this is a search bar with a search button and a 'Clear' button. The main content area displays search results for 'emergency medicine'. On the left, there is a sidebar for 'Narrow Results by' with categories like 'Source Types', 'Subject', 'Publication', and 'Database'. On the right, there is a 'Limit your results' section with checkboxes for 'Full Text', 'Scholarly (Peer Reviewed) Journals', and 'Image Quick View'. The search results list includes three entries, each with a title, citation information, and a 'PDF Full Text' link. Annotations in red boxes point to various elements: 'Refine your results list.' points to the 'Subject' category in the sidebar; 'Change sort order or search parameters.' points to the 'Sort by: Relevance' dropdown; 'Links to the long citation and article text (when available).' points to the 'PDF Full Text' link for the first result; and 'No link to text means this article's not available in this database.' points to the 'Add to folder' link for the second result.

Refine your results list.

Change sort order or search parameters.

Links to the long citation and article text (when available).

No link to text means this article's not available in this database.

Finding Articles – Ebsco Citations

The screenshot shows a search result for an article. Red callout boxes with arrows point to specific elements:

- Links to text.**: Points to the [HTML Full Text](#) and [PDF Full Text \(103KB\)](#) links.
- Available actions.**: Points to icons for printing, emailing, saving, and other document actions.
- Article subjects and summary.**: Points to the **Subject Terms** and **Abstract** sections.
- Permanent link to citation.**: Points to the **Persistent link to this record (Permalink)** field.
- Click for more about this publication.**: Points to the **Abstract** text.
- HTML text follows citation when available.**: Points to the **Contents** and **References** sections at the bottom.
