Catalog “Simple Search” Page

The screenshot shows the 'Simple Search' page of the Northcentral Technical College catalog. At the top left is the college logo. In the top right, there are links for 'Log in to your account' and 'Help'. Below the logo, the text 'Simple Search' is displayed. Underneath, it says 'College: Northcentral Technical College' with a link to 'MultiLibraryS'. A navigation bar contains buttons for 'Simple Search', 'Builder Search', 'Subject', 'Author', 'Course Reserve', 'New Materials', and 'Search History'. The main search area includes a 'Search For:' text box, a 'Search By:' dropdown menu set to 'Keyword (search any words, any order)', a 'Limit To:' dropdown menu set to 'All Material', and a 'Records per page:' dropdown menu set to '50 records per page'. A 'Search' button is located to the right. Two red callout boxes provide instructions: one points to the search input box, and another points to the dropdown menus. A third red callout box points to the search dropdown menu, which is open, showing options like 'Keyword (search any words, any order)', 'Author List (last name, first name)', 'Subject Keyword (enter key term(s) to search)', 'Title Keyword (enter key term(s) to search)', 'Title (enter first few words; omit a, an, the)', and 'Author/Title Keyword (enter key term(s) to search)'.
