

The Wisconsin Lab Association exists to improve the cause, technique, practice and knowledge of laboratory technicians through communication and educational opportunities.

To: Wisconsin Educational Institutions
From: Wisconsin Laboratory Association (WLA) Scholarship Committee
Re: WLA 2024 Scholarships

The Wisconsin Laboratory Association is offering ONE \$1,000.00 scholarship for 2024. To be considered, students must meet the following requirements:

1. All applicants must be one of the following at an accredited college or university having completed at least 1 semester of classes:
 - A. Technical Student
 - B. Undergraduate University Student
 - C. Graduate Student
2. All applicants must be enrolled in a curriculum that will enable them to pursue a career in a non-medical laboratory related field **and** have a 3.0 or higher Grade Point Average. (ex: cannot be pre-medicine, pre-veterinary, nursing, etc.)
3. All applicants **MUST** submit the following three pieces of information to the Scholarship Committee to be considered:
 - A. A completed WLA application form.
 - B. A current transcript from the school the student is presently attending.
 - C. Two letters of recommendation from the student's instructors.

The deadline for submitting **COMPLETED** applications and supporting documentation is March 31, 2024. Please note that incomplete applications will not be accepted. You must provide all the information above, but the deadline, in order to be eligible to receive the scholarship.

Please make this information accessible to any interested students (feel free to photocopy the information).

Please contact us if you require any further information or assistance. Applications are also available on the WLA website at: www.wisconsinlabassociation.org.

Sincerely,
