

# Northcentral Technical College Wittenberg Campus

Whether you are considering a college education for yourself or your child, a degree that is tied to marketable job skills is vital. Fortunately the Northcentral Technical College (NTC) Wittenberg campus provides a local option for a college degree that is both cost effective and provides the job skills of the future.

NTC offers dozens of associate degrees, technical diplomas and certificates at the Wittenberg campus. You can also complete a General Studies Transfer Certificate, which allows students to transfer 30 general studies credits to University of Wisconsin and private four-year universities who partner with NTC.

If you haven't checked us out, consider stopping in for a tour or schedule an appointment with our enrollment advisor to see if learning locally at NTC Wittenberg is an option for you.

For more information, call the NTC Wittenberg Campus at 715.253.3500 or visit [www.ntc.edu](http://www.ntc.edu).
