College Credit = College Accommodations
NTC Approves Accommodations

Re: NTC Dual Enrollment:

Dual Credit	Start College Now (formerly Youth/Course Options)
High School Academies	High School Contracts/Distance Learning
Youth Apprenticeship (YA)	

NTC College Accommodations are approved by NTC Disability Services

If a high school student is seeking college credit and wants to use accommodations for Dual Enrollment, than the student needs to complete the following steps:

1. Complete the "Accommodations Application Form". This electronic form can be located on the NTC Disability Services web site or at the following link:
   https://ntcforms.formstack.com/forms/accommodations_application_form
2. Provide disability documentation (IEP) that lists a diagnosis to NTC's Disability Services.
3. Once the above two steps are completed, either the student or their Special Ed case manager will be contracted to arrange a meeting. Preferably both, the student and the case manager will do a phone meeting with the NTC DS director, to get approved for accommodations. After the accommodations are approved, the student will receive an Accommodation Card.

College Accommodations

College accommodations will NOT be the same as the student's high school accommodations. Please review the card to determine which accommodations were approved.

Accommodations are not mandatory

Once a student is approved for accommodations, they can choose which approved accommodations they want to use and when they want to use them.

Instructor is alerted

Instructor cannot supply any accommodations without reviewing the Accommodation card, to determine which accommodations were approved by NTC Disability Services.

Example of an Accommodation Card:
