

High School students are earning college credit and saving money in college tuition with NTC's Dual Credit. A 3-credit course saves nearly \$400 in tuition and can be transferred to NTC and other colleges. See which Dual Credit courses are currently being offered in area high schools and the number of credits that students can earn at no cost. Determine your course load and calculate your savings: **Intro to Business (3 credits) + Web Design 1 (3 credits) = \$800 approximate savings.**

ABBOTSFORD

- Agriculture:**
- Intro to Animal Science (3)
- Business:**
- Customer Service (2)
 - Internet Marketing Strategies (3)
 - Marketing Principles (3)
 - Social Media Campaigns 1 (3)
 - Intro to Business (3)
