Post-degree credits that can be taken at NTC:		Total credits required for degree completion:	120-122

*Grand total of potential transfer credits if taken additional transfer credits in the associate-level program.

Completed IT certifications will earn additional credits towards the bachelor degree. Students will need to include verification of their IT certifications along with their transcripts to receive the maximum number of credits for transfer.

The total number of credits needed to complete these degrees at WGU ranges from 120 to 124 credits.

Applicants are required to complete an interview with an WGU Enrollment Counselor and complete the WGU Readiness Assessment.

Disclaimer: Students planning to transfer should contact NTC's Transfer Specialist and transfer personnel at WGU for the most current information.
