Total number of credits to complete the Bachelor of Science Degree in Dental Hygiene: 120 credits

Disclaimer: Students planning to transfer should contact NTC's Transfer Specialist and transfer personnel at MSU-Mankato for the most current transfer information.

Students who apply for the degree completion program at MSU-Mankato must be licensed or eligible for licensure to practice dental hygiene.

Students who have taken additional courses will have these evaluated by the registrar's office and have the potential to reduce general education courses needed.
