

## Intro to Career Decisions

1 credit (8 hours)

The career exploration process can be overwhelming and exciting! This unique workshop is intended to provide learners with activities and informal career assessments to help develop a greater sense of potential program interests and goals. Learners will also be introduced to program offerings at Northcentral Technical College (NTC) and the Wisconsin Technical College System (WTCS) aligning with their career interests, abilities, skills, and future plans.

### COURSE COMPETENCIES

Competencies are what learners will be able to do as a result of the learning experience. In this course the competencies that you must demonstrate are:

1. Explore individual interests, skills and abilities, as they relate to their career choices
2. Explore workforce needs and career options
3. Explore individual's values and how they relate to career choices
4. Develop a career/ educational plan

**COST**  
**\$4.50**

## Career Decisions

1 credit (12 hours)

Career Decisions is a comprehensive self-assessment workshop that, through a series of aptitude, personality and lifestyle tools, helps establish a focus for your future. Learn about yourself and find a career that fits.

### WHAT TO EXPECT

Each of us has a personality unlike that of any other person, yet the combination of factors in that personality affect our careers, relationships, learning styles and the meaning of life has for each of us. This course explores your preferred ways of behaving and how that affects your interaction with other types. The Myer'sBriggs Type Indicator is a highly reliable method of determining personality type. Discover how you are energized, gather and process information, and how you make decisions and choose your lifestyle.

**COST**  
**\$30.00**
