Colorado State University Program: See the list below

GPA required: 2.0

Initial effective date:

| NTC        |                      |                                    | Colorado State University-Global |   |         |   |
|------------|----------------------|------------------------------------|----------------------------------|---|---------|---|
| Course No. | Program Title        | credits                            | Course No.                       | Major   | credits |   |
|            | NTC Associate Degree |                                    |                                  | CSU-Global Majors   |         |   |
|            | All AAS Degrees      |                                    |                                  | <p>CSU Global may accept up to 90 credits in transfer, with a maximum of 60 credits coming from lower division coursework and a maximum of 15 vocational credits, for any student who has completed any associate degree from NTC. Total number of transfer credits will depend on an official evaluation of all post-secondary transcripts. Credits may be applied to any major at CSU Global. To facilitate support of students matriculating from NTC to CSU Global, students should enter NTC-CAF in the space for a Partnership Referral Code when applying.</p> |         |   |
