

Concurrent Enrollment Program  
NTC Program: Nursing  
UW-Oshkosh Program: Nursing  
GPA required: 3.0  
Initial effective date: January 2023

To be considered for participation in the CEP, the following is required:

- \* Students must meet all Northcentral Technical College nursing program prerequisite and co-requisites.
- \* UWO admission requirements must be met including a cumulative GPA of 3.0 or higher from all schools attended for admission to the UWO nursing major and CEP program.
- \* To ensure that prerequisites and co-requisites meet program requirements, students are encouraged to meet with NTC and UWO nursing advisors early in the academic process.
- \* Applications must be submitted to each institution following the institutions' application process, deadlines and rules.
- \* NTC and UWO admissions personnel will make final determinations of transfer credits to their respective institutions.

**Course of Study: Fall Entry**

The plan of study for the fall entry into the nursing program is outlined below. **Please note: There are 30 credits in the UWO nursing major. Additional electives may be needed to meet graduation requirements of 120 credits.** Students should consult with their nursing advisor for approval before making any changes to their progression plan.
