NTC Regional Campuses

All policy statements contained in this report apply to all campuses unless otherwise indicated.

NTC Security Department Personnel

The NTC Security Department has one full-time Director of Safety and Security, one full-time Assistant Director of Security, one full-time Security Supervisor, and eight part-time student Security Officers. The Director of Safety and Security, the Assistant Director of Security, and the Security Supervisor are responsible for the overall operation and presentation of the NTC Security Department. Some of these duties are; the development of all applicable policies and procedures, budget management, awareness programs, management of security and safety events and work with local public safety officials.

The Director of Safety and Security, the Assistant Director of Security, and the Security Supervisor are responsible for the day-to-day operations of the Security Department and staff district-wide. This includes training, scheduling, case investigation, classroom presentations, and security assessments to name a few.

The eight part-time positions consist of student Security Officers hired directly from the NTC Criminal Justice/Corrections/EMS programs. Along with their classroom training, provided by the NTC Criminal Justice/Corrections/EMS programs, NTC Security Officers are given advanced training in other areas such as

report writing, patrol operations, and professional communications. Duties of the NTC Security Officers include; preventative patrol procedures, personal escorts, locking/unlocking rooms upon request, responding to incidents, and case investigation. Presently, student Security Officers are employed at our Wausau campus. Security Officers have no power of arrest.

The patrol jurisdiction of Security Officers is limited to any buildings or properties owned or controlled by Northcentral Technical College.

Security Officers are not sworn officers, but they are responsible for enforcing college policies, and those policies include enforcing violations of the law. Security Officers document violations of college policy/law and contact local law enforcement agencies to report observed violations of federal laws and state laws.

All NTC campuses have current Memorandum of Understandings (MOUs) that define each site's local law enforcement providers and their enforcement authority. The Northcentral Technical College District is very proud to have a very close working relationship with all our local law enforcement agencies, including Antigo Police Department, Medford Police Department, Merrill Police Department, Phillips Police Department, Shawano County, Marathon County, Wausau Police Department and Spencer Police Department. With their assistance, we are better able to provide a safe and secure environment to all who enter our campuses.

Annual Disclosure Statement

The NTC Security Department prepares this report to comply with the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act.

The full text of this report can be located on the Campus Security website. You will also be able to connect to our site via the Northcentral Technical College [home page](#). This report is prepared in cooperation with the local law enforcement agencies within the jurisdictions of our Northcentral Technical College campuses. Each entity provides updated information on its educational efforts and programs to comply with the Act.

Each year, an e-mail notification is made to all enrolled students and registered staff that provides the website access to this report. Copies of this report may also be obtained from the NTC Security Department located in Room C-157 at the NTC Wausau Campus or by calling (715) 803-1111.

The Higher Education Opportunity Act (HEOA)

Effective August 14, 2008, the HEOA Act requires each institution governed by the Jeanne Clery Act to immediately notify the campus community upon confirmation of a significant emergency or dangerous situation involving an immediate threat to the health or safety of students and staff *on campus*. The Northcentral Technical College District fully complies with HEOA and in furtherance of that compliance, some or all of our systems may be used such as; electronic communication (such as email), television monitors, loudspeakers, fire alarm, and emergency evacuation maps located throughout the individual sites. Once there is a confirmation of such an event, the NTC Security Department, or the various sites main offices (Deans, Coordinators), will determine the appropriate means of message dissemination in the swiftest manner available. If in the professional judgment of the responsible authorities, activating the notification system may compromise any efforts to mitigate the event or assist victims, the notification may be delayed or not issued.

The HEOA also requires a statement as to the existence of agreements, such as a Memorandum of Understanding (MOU), between the institution and local or state law enforcement. Such agreements do exist between the College and the local law enforcement authorities including a signed Memorandum of Understanding. NTC has a Memorandum of Understanding with all the law enforcement agencies within our region: Antigo Police Department, Medford Police Department, Merrill Police Department, Phillips Police Department, Shawano County Sheriff Department, Spencer Police Department, Wausau Police Department, and

Marathon County Sheriff's Department. The MOU addresses the investigation of criminal incidents occurring at this location.

Security Awareness Programs

Northcentral Technical College Security Department is committed to a safe and secure environment. This is achieved by various training and informational methods. The Security Department is involved with various crime prevention programs such as; personal protection, drug, and alcohol abuse, harassment, and workplace violence policies. These programs are many times in conjunction with other organizations in the college.

Various incidents that occur throughout the nation may precipitate other awareness programs and training to better help students and staff feel better about their safety and security at NTC and in their homes.

One of the essential ingredients of any successful crime prevention program is an informed public. Northcentral Technical College intends to inform students of good crime prevention and security awareness practices.

During the 2022-2023 academic year, NTC offered approximately two crime prevention and security awareness programs. Topics such as personal safety, awareness, and lockdown training are some examples of programs offered during the prior academic year.

All crime prevention and security awareness programs encourage students and employees are encouraged to be responsible for their security and the security of others. Participants in these programs are asked to be alert, security-conscious, and involved and advised to call NTC Security Department to report suspicious behavior. For additional questions regarding crime prevention, contact the department directly at (715)581-6010.

As part of the department's community-oriented policing philosophy, NTC Security Department offers crime prevention presentations each semester to classrooms, campus clubs, and student groups as requested. Topics of these presentations include personal safety awareness, and property protection strategies. Anyone interested in having an NTC Security Department speak to his or her classroom or group should contact them at (715)581-6010.

Crime/Incident Reporting

Northcentral Technical College encourages all persons attending or visiting the campus to report all real or perceived criminal acts and/or all other incidents of suspicious or medical nature to the NTC Campus Security Department so proper and appropriate follow-up or assistance can be provided.

To report a crime, call the NTC Security Department at (715) 803-1111 or (715)581-6010. In an immediate emergency, dial 911. Reporting of crimes can be accomplished 24 hours a day by any of the following means:

- 1) Calling Security during hours of operation at 715-803-1111
- 2) Texting Security during hours of operation at 715-581-6010
- 3) Emailing Security at Security@ntc.edu
- 4) Filing an online Maxient reporting [form](#)
- 5) **Dialing 911 in an emergency**

Security Officers

Incidents on the Wausau Campus can be reported to an NTC Security Officer making routine patrols of the NTC Campus. All NTC Campus Security Officers are trained in advanced recognition of criminal activity or suspicious behavior and can properly facilitate a response to all criminal acts and/or situations. Shall it be deemed necessary, an NTC Security Incident Report will be generated and completed promptly. NTC Security Officers shall decide whether outside assistance from other police authorities is needed. The on-duty Security Officer will always have the ability to confide with their supervisor for further guidance.

The additional NTC campuses can have phone contact with the Wausau Security Office during **any** hours of operation. In the event of true emergencies, it is recommended that the local law enforcement agencies are contacted promptly for their intervention. These incidents would still require an NTC Incident Report for proper documentation.

Security Officers are available at 715-581-6010, 715-803-1111, or EXT. 1111 from any on-campus landline phone during business hours to answer your calls. In response to a call, NTC Security Department will take the required action, either sending a Security Officer or asking the victim to report to NTC Security Department to file an incident report. All reported crimes will be investigated by the College and may become a matter of public record. All NTC Security Department incident reports are forwarded to the Student Development Office for review for potential action, as appropriate. NTC Security Officers will investigate a report when it is deemed appropriate. Additional information obtained from the investigation will also be forwarded to the Office of Student Development. If assistance is required from the local police department or the local fire department, NTC Security Department will contact the appropriate agency. If a sexual assault or rape should occur, staff on the scene, including Security, will offer the victim a wide variety of services available.

Crimes should be accurately and promptly reported to the NTC Security Department or the appropriate police agency, when the victim of a crime elects to or is unable to, make such a report.

Members of the community are helpful when they immediately report crimes or emergencies to the NTC Security Department and the Office of Student Development and/or Title IX Coordinator for purposes of including them in the annual statistical disclosure and assessing them for issuing Timely Warning Notices when deemed necessary. Crimes can also be reported using this link to NTC's online reporting system. Contact information of the Office of Student Development and The Title IX Coordinator can be found below.

College Campus Facility Security

NTC Security Officers conduct routine patrols of campus buildings to evaluate and monitor security-related matters.

Security Department

The main NTC Security Department is located on the Wausau Campus in Room C-157.

The phone number is (715) 803-1111, Text messages can be sent to (715)581-6010, and Emails to Security@ntc.edu.

College Access Control

Northcentral Technical College uses a card access locking system comprised of online and offline locks. This allows for greater access control throughout the district and allows for a faster response when an access card is lost, misplaced, or stolen. Access key cards are the property of Northcentral Technical College and must be returned upon the request of the proper authority. During business hours, Northcentral Technical College will be open to students, parents, employees, contractors, guests, and invitees. During non-business hours, access to

all college facilities will only be given to those staff needing to be in the building after hours as part of their regular job requirements (i.e. IT, Facilities, Student Life Activity, College Sponsored events, etc.). Anyone needing access to the Wausau Campus during non-business hours not mentioned in the above statement or not normally granted after access will need to contact the Northcentral Technical College Security Department at (715)803-1111. In the event access is required to any of the other NTC Campuses, access may only be granted by the Dean or Learning Center coordinator. NTC Security Department Officers monitor security in the academic and administrative buildings of the campus.

Residential facilities are only accessible to building residents and their authorized guests and visitors. Residents are helpful if they avoid allowing unknown individuals access to the residential buildings. Housing staff monitor security in the residential facilities and encourage building residents to report suspicious or unusual activity.

Security Considerations Used in the Maintenance of Campus Facilities

Northcentral Technical College maintains campus facilities in a manner that minimizes unsafe conditions. Parking lots and pathways are illuminated with lighting. NTC Security Department works closely with Facilities Management to address burned-out lights promptly as well as malfunctioning door locks or other physical conditions that enhance security. Other members of the College community are helpful when they report equipment problems to NTC Security Department or Facilities Management.

911ETC:

The Wausau NTC campus is also equipped with an enhanced phone system to our local Emergency 911 centers. This enhancement is called **911ETC** and allows all of our in-house phones to automatically be locked into the Emergency 911 system when called. This allows emergency responders (both locally and in-house) to more efficiently respond to our sites with more valuable information to address the emergency needs of the caller.

Closed Circuit Televisions:

All NTC locations are monitored by CCTV locally and by the Wausau NTC Security Department. Local Law Enforcement agencies may also monitor the CCTV for their local NTC locations. This is done to maintain a safe and secure environment for our students, staff, and visitors.

Daily Crime Log

NTC Security Department maintains a Daily Crime Log which is available to the public for review, at the NTC Security Department Office in room C-157, from 8 a.m. – 5 p.m. Monday through Friday, excluding holidays.

Confidential Reporting Policy

If you are the victim of a crime and do not want to pursue action by the NTC Security Department or the criminal justice system, you may still want to consider making a confidential report.

With your permission, NTC Security Staff will report on the details of the crime without revealing your identity.

The purpose of the confidential report is to comply with your wish to keep the matters confidential while taking steps to ensure the future safety of yourself and others. With such information, NTC Security can keep an accurate record of the number of incidents involving students, determine where there is a pattern of crime concerning a particular location, method, or assailant, and alert the campus community of potential danger. Reports filed in the matter are counted and disclosed in the annual crime statistic report for Northcentral Technical College.

Non-Campus Reporting

Because of the limited scope of the authority vested in the NTC Security Department, we are currently unable to monitor or provide security services to students and staff while off of any NTC Campus. Criminal activity and law enforcement services to students and staff off campus are provided by the local police departments when violations of federal, state, or local laws surface. This cooperative team approach addresses situations as they arise as well as future concerns to the students, staff, and community.

In addition, students now have access to an incident reporting form where they can document and alert Security to concerns. This form is connected to staff working with risk assessment, conduct, and Title IX. This form can be completed confidentially and is public facing through the NTC website.

NTC does not have officially recognized student organizations that own or control housing facilities outside of the NTC core campus.

Therefore, local PD is not used to monitor and record criminal activity since there are Non-campus locations of student organizations.

Counseling Services Confidentiality Statement

Northcentral Technical College Counseling Services is required by law and by professional ethics to protect the confidentiality of all communication between counselor and counselee. In some situations involving danger and/or risk of imminent harm, counselors are required to disclose certain information to protect all involved. In certain legal situations, including court orders, counselors are required to disclose information as necessary to comply with the law in that situation. If at all possible, counselors will discuss the procedures for doing this and enlist the counselee's assistance in a resolution of the situation that has necessitated such disclosure. Campus "Professional Counselors," when acting as such, are not considered to be a campus security authority for Clery Act purposes and are *not* required to report crimes for inclusion in the annual disclosure of crime statistics. Counselors are encouraged to inform people being counseled of the procedures to report crimes to the NTC Security Department voluntarily for inclusion in the annual report statistics. NTC's counseling service is through a third party, Virtual Care Group. Virtual Care Group is an of site virtual counseling service.

BIT Committee

The *Governor's Task Force on Campus Safety* report was released in November of 2007 after the tragic event that occurred at Virginia Tech. In this comprehensive report one of the foremost recommendations was for colleges and universities to create a threat assessment team to identify, evaluate, and address concerns of individuals. Northcentral Technical College embraced this idea immediately and created the BIT (Behavior Intervention Team).

In 2022, NTC conducted research and found that many colleges have shifted branding from a BIT to a CARE model to "soften" the perception that the BIT exists to track students and punish them. It was recommended that NTC follow this trend and rename the current BIT to CARE (**Campus Assessment, Response, and Evaluation**) Team to send the message to the College community that the purpose of the team is caring and preventative. The CARE Team serves as a central network focused on prevention and early intervention of campus situations involving students experiencing extreme distress or engaging in harmful or disruptive behaviors. The committee is made up of divisional staff from Student Services, Counseling, Disability Services, Learning and Security. Several committee members have had various training opportunities addressing the recognition and conflict management of student concerns. The team addresses concerns using various methods and strategies. This can be anywhere from a team approach, one-on-one, or a mandated referral to an outside professional agency. The end result is a plan for success and a win-win for both the student and the college with the student's best interest in mind.

The CARE Team feels that this entity on campus adds an important element of safety measures to our college environment. With the assistance and appropriate input from all staff and faculty, it is our hope that Northcentral Technical College will be a safer and more productive environment for all.

Timely Warning

In compliance with the Jeanne Clery Act, any incident or a situation arises, within the NTC Clery Geography (On Campus, Public Property, and Non-campus property), that, in the judgment of the Director of Security and consultation with responsible authorities when time permits, constitutes is an ongoing or continuing threat to the students, staff, or visitors population, a timely warning may be issued. This warning will be at the discretion of the President of the College or their designee and the Director of Security.

This will be distributed as soon as possible after the incident is reported. This report will consist of as much information about the incident as possible to keep other students, staff, and visitors safe, but will also be limited to not compromising an ongoing investigation or violating any HIPPA or FERPA Laws.

Timely Warnings are typically issued for the following Uniform Crime Reporting Program (UCR)/National Incident-Based Reporting System (NIBRS) crime classifications:

- 1) Murder/Non-Negligent Manslaughter
- 2) Aggravated Assault (cases involving assaults among known parties, such as two roommates fighting which results in an aggravated injury, will be evaluated on a case-by-case basis to determine if the individual is believed to be an ongoing threat to the larger NTC community)
- 3) Robbery involving force or violence (cases including pickpocketing and purse snatching will typically not result in the issuance of a Timely Warning Notice, but will be assessed on a case-by-case basis)
- 4) A string of Burglaries or Motor Vehicle Thefts that occur in reasonably close proximity to one another;
- 5) Sexual Assault (considered on a case-by-case basis depending on the facts of the case, when and where the incident occurred, when it was reported, and the amount of information known by the Director of Security, or designee). In cases involving sexual assault, they are often reported long after the incident occurred, thus there is no ability to distribute a “timely” warning notice to the community. All cases of sexual assault, including stranger and non-stranger/acquaintance cases, will be assessed for potential issuance of a Timely Warning Notice.
- 6) Major incidents of Arson
- 7) Other Clery crimes as determined necessary by the Director of Security, or his or her designee in his or her absence.

Timely Warning Notices are typically written and distributed by the Director of Security, or designee.

To reach as many people as possible, the timely warning will be distributed across different media platforms as possible. Follow-up warnings may be posted on exterior doors of any affected NTC location, on the main page of the NTC website, and electronically mailed and texted to members of the NTC campus community.

Furthermore, timely warnings will be posted on the TV monitors throughout the location to advise of the situation at hand. If feasible or needed, a media report will be released to local radio and TV stations for mass broadcast.

The institution is not required to issue a Timely Warning with respect to crimes reported to a pastoral or professional counselor.

Emergency Response and Evacuation Procedures

NTC maintains an Emergency Response Plan that outlines the responsibilities of campus units during emergencies. This plan outlines incident priorities, campus organization, and specific responsibilities of particular units or positions.

College departments are responsible for developing emergency response and continuity of operations plans for their areas and staff. Campus emergency management provides resources and guidance for the development of these plans, and updates the overall plan biannually.

In conjunction with other emergency agencies, the College conducts emergency response drills and exercises each year, such as tabletop exercises, violent intruder drills, and tests of the emergency notification systems on campus. These tests which can be announced or unannounced, are designed to assess and evaluate the emergency plans and capabilities of the institution.

Each test is documented and includes a description of the exercise and the date and time of the exercise and whether it was announced or unannounced.

The campus publicizes a summary of the emergency response and evacuation procedures via email at least once each year in conjunction with a test (exercise and drill) that meets all of the requirements of the Higher Education Opportunity Act.

Emergency Evacuation Procedures

The emergency evacuation procedures are tested at least twice each year. Students and employees learn the locations of the emergency exits in the buildings and are guided in the direction they should travel when exiting each facility for a short-term building evacuation. The NTC Security Department does not tell building occupants in advance about the designated locations for long-term evacuations because those decisions are affected by the time of day, location of the building being evacuated, the availability of the various designated emergency gathering locations on campus, and other factors such as the location and nature of the threat. In both cases, NTC Security Department staff on the scene will communicate information to students regarding the developing situation or any evacuation status changes.

We do, however, conduct building evacuation drills. The purpose of evacuation drills is to prepare building occupants for an organized evacuation in case of a fire or other emergency. At NTC evacuation drills are used as a way to educate and train occupants on fire safety issues specific to their building. During the drill, occupants 'practice' drill procedures and familiarize themselves with the location of exits and the sound of the fire alarm.

Northcentral Technical College oversees the Timberwolf Suites residence hall. These two physical fire drills are done twice a year, in Spring and Fall. Both of these drills are documented and a record kept by the Timberwolf Suites Housing Manager.

General Evacuation Procedures

At the sound of a fire alarm or if you are instructed to evacuate, leave your work area immediately and proceed to the nearest exit, and leave the building. If you are the first to recognize a fire situation, activate the alarm, evacuate to a safe location using the nearest exit, and notify NTC Security Department, (715-581-6010) Police Emergency or dial 911.

1. Remain Calm
2. Do NOT use elevators, use the stairs.
3. Assist the physically impaired. If he/she is unable to exit without using an elevator, secure a safe location near a stairwell, and immediately inform NTC Security Department or the responding Fire Dept. of the individual's location.
4. Proceed to a clear area at least 100 feet from the building. Keep all walkways clear for emergency vehicles.
5. Make sure all personnel are out of the building.
6. Do not re-enter the building.

Shelter-in-Place Procedures –What it means to “Shelter-in-Place”

If an incident occurs and the buildings or areas around you become unstable, or if the air outdoors becomes dangerous due to toxic or irritating substances, it is usually safer to stay indoors, because leaving the area may expose you to that danger. Thus, to “shelter-in-place” means to make a shelter of the building that you are in, and with a few adjustments, this location can be made even safer and more comfortable until it is safe to go outside.

Basic “Shelter-in-Place” Guidance

If an incident occurs and the building you are in is not damaged, stay inside in an interior room until you are told it is safe to come out. If your building is damaged, take your personal belonging (purse, wallet, access card, etc.) and follow the evacuation procedures for your building (close your door, proceed to the nearest exit, and use the stairs instead of the elevators). Once you have evacuated, seek shelter at the nearest College building quickly. If police or fire department personnel are on the scene, follow their directions.

How You Will Know to “Shelter-in-Place”

A shelter-in-place notification may come from several sources, including Security, Staff members, other College employees, Local PD, or other authorities utilizing the College’s emergency communications tools.

How to “Shelter-in-Place”

No matter where you are, the basic steps of shelter-in-place will generally remain the same. Should the need ever arise, follow these steps, unless instructed otherwise by local emergency personnel:

1. If you are inside, stay where you are. Collect any emergency shelter-in-place supplies and a telephone to be used in case of emergency. If you are outdoors, proceed into the closest building quickly or follow instructions from emergency personnel on the scene.
2. Locate a room to shelter inside. It should be:

- a) An interior room;
 - b) Above ground level; and
 - c) Without windows or with the least number of windows. If there is a large group of people inside a particular building, several rooms may be necessary.
3. Shut and lock all windows (tighter seal) and close exterior doors.
 4. Turn off air conditioners, heaters, and fans.
 5. Close vents to ventilation systems as you are able. (College staff will turn off the ventilation as quickly as possible.)
 6. Make a list of the people with you and ask someone (hall staff, faculty, or other staff) to call the list into NTC Security Department so they know where you are sheltering. If only students are present, one of the students should call in the list.
 7. Turn on the radio or TV and listen for further instructions.
 8. Make yourself comfortable.

Individuals can report emergencies occurring at Northcentral Technical College by calling 911 or NTC Security at H (715) 803-1111, or C (715)581-6010.

In the event of a serious threat or an emergency, the college population will be notified as to their appropriate response through various means. Some or all of our systems may be used such as; electronic communication (such as email), Phone messages, television monitors, loudspeakers, fire alarms, and emergency evacuation maps located throughout the individual sites. Face-to-face communication may be used if necessary. NTC will immediately notify the campus community upon the confirmation of a significant emergency or dangerous situation involving an immediate threat to the health or safety of students or staff occurring on the campus.

The Director of Security is responsible for confirming an emergency in conjunction with campus administrators, local first responders, and/or the national weather center.

Once there is a confirmation of such an event, the NTC security department, or the various sites main office (Deans, Coordinators), will determine the appropriate means of message dissemination in the swiftest manner available. If in the professional judgment of the responsible authorities, activating the notification system may compromise any efforts to mitigate the event or assist victims, the notification may be delayed or not issued. Northcentral Technical College will, without delay and taking into account the safety of the community, determine the content of the notification and initiate the notification system, unless issuing a notification will, in the judgment of the first responders (including, but not limited to Campus Security, Local PD, and/or the Local Fire and Emergency Medical Services), compromise the efforts to assist a victim or to contain, respond to, or otherwise mitigate the emergency.

The Director of Security, President, VP of Student Services, and Associate VP of Marketing will collaborate to determine the content of the message and will use some or all of the systems described below to communicate the threat to the NTC Community or the appropriate segment of the community if the threat is limited to a particular building or segment of the population.

Notification will be made by using some or all of the following methods depending on the type of emergency: College Alert System (which contains email, cell phone text, and voice message alert); fire alarm (where available), public address systems (where available), social media, digital signage (where available), local media, webpage and/or in-person communication. If any of these systems fail or the College deems it appropriate, in-person communication may be used to communicate an emergency.

To opt-in for emergency text messaging students, faculty and staff can do so by responding to the text they receive when they are entered into the PeopleSoft system regarding receiving emergency messages. Emergency notifications through email and phone are an opt-out system. To opt-out of email follow the link at the bottom of any emergency notification, for phone opt-out press the number related to opting-out during any Emergency notification call. You can opt-out at any time by visiting the Help Desk.

The content of the message will vary depending on the situation. At a minimum, the messages will describe the emergency, provide basic instructions to the community, and will direct them to where they can receive additional information.

Follow-up information will be distributed using some or all of the identified communication systems (except the fire alarm).

The local news media may be utilized to disseminate emergency information to members of the larger community, including neighbors, parents, and other interested parties. The larger community can also access emergency information via the Northcentral Technical College homepage and/or social media.

If there is an immediate threat to the health or safety of students or employees occurring on campus, Northcentral Technical College will follow its emergency notification procedures. An institution that follows its emergency notification procedures is not required to issue a timely warning based on the same circumstances; however, NTC will provide follow-up information to the community as needed.

Alcohol and Drug Policy

Northcentral Technical College is committed to upholding all local, state, and federal laws concerning the use and abuse of alcohol and controlled substances, and will support campus community efforts to reduce or eliminate violations of such laws. Possession, use, sale, and distribution of alcohol, controlled substances, and illegal drugs by students, employees, vendors, and visitors on college property or at sponsored college events, or by employees on district business while off of district premises without authorization is strictly prohibited. Local Law Enforcement has primary responsibility for the enforcement of State underage drinking laws as well as the enforcement of Federal and State drug laws.

In addition, no students, employees, or visitors shall be impaired by alcohol, controlled substances, and illegal drugs or in possession of any drug paraphernalia on college premises or at any college-sponsored activity, or in the case of employees, on district business that is conducted off premises.

Students and employees violating the above can be subject to disciplinary action by the college and involvement by the local policing jurisdiction. For further information refer to the Drug and Alcohol-Free Campus and Workplace Policy referenced on the [NTC website](#) and Employee Handbook.

Alcohol and Drug Abuse (AODA) Prevention Program

NTC recognizes drug and alcohol dependency or abuse as major health problems, as well as safety and security problems. Some of these problems include:

- 1) Diseases of the liver, brain, heart, pancreas, and every other organ and/or system in the body;
- 2) Depression, moodiness, disorientation, and lack of inhibitions, can lead to increased risk of accident, suicide, and violent behavior including homicide;
- 3) Difficulties with memory, concentration, attention span, abstract reasoning, and the ability to process perceptual information in a manner consistent with reality;
- 4) Spontaneous miscarriage and fetal malformations including physical, cognitive, and emotional problems which can be permanent; and
- 5) The risk of dependency and its related physical, mental, emotional, social, legal, family, and financial problems.

A student in need of assistance to work through such problems is encouraged to contact the Virtual Care Group counseling office at, (715)803-1608. Conscientious efforts to seek such help shall not in themselves jeopardize any student's enrollment and will not be noted in the student's educational record. Any assistance provided can be done anonymously and is kept completely confidential within legal guidelines.

Drug-Free Schools and Communities Act

In compliance with the Drug-Free Schools and Communities Act, Northcentral Technical College publishes information regarding the College's educational programs related to drug and alcohol abuse prevention; sanctions for violations of federal, state, and local laws and College policy; a description of health risks associated with alcohol and other drug use; and a description of available treatment programs for NTC students and employees. A complete description of these topics, as provided in the College's annual notification to students and employees, is available online at [Drugs and Alcohol | Northcentral Technical College \(ntc.edu\)](#).

Missing Student Notification

Any member of the Northcentral Technical College Community who has reason to believe a student is missing for 24 hours should contact Campus Security immediately by calling (715) 581-6010, (715) 803-1111 or EXT. 1111 from any campus landline phone during business hours. NTC Employees are required to report any knowledge that they may have of a missing student, whether that be from direct knowledge or a report from a student, another member of the NTC community, or an outside party immediately to Campus Security.

Whether or not a student resides on campus, efforts will be made to locate the student to determine his or her location and well-being. These efforts may be aided by collaboration with local law enforcement.

For purposes of this policy, a student will be considered a “missing student” if the student’s absence is contrary to his/her usual pattern of behavior and unusual circumstances may have caused the absence. Such circumstances could include, but are not limited to:

- 1) A report or suspicion that the missing person may be the victim of foul play.
- 2) The missing student has expressed suicidal thoughts.
- 3) The missing student has a history of drug or alcohol abuse.
- 4) The missing student is in a life-threatening situation.
- 5) The missing student has been with persons who may endanger the student’s welfare.

All Timberwolf Suites residents have the option of designating a confidential missing person contact strictly for use in the event that they are reported missing. To designate this person, contact the Housing Managers Office at (715) 803-1697. All students who live in NTC-affiliated housing will be given this opportunity prior to moving into the facility. Designations will remain in effect until the student chooses to revoke them.

When students are informed of their option to provide a confidential contact, they are advised that their contact information is stored confidentially, will be accessible only to authorized campus officials and law enforcement. These officials will only disclose the contact information to law enforcement and only for the purposes of a missing person’s investigation. A student can update their confidential missing person contact information by emailing or contacting the Timberwolf Suites Manager.

Students are advised that, in the event a student under 18 years of age and not emancipated, NTC must notify a custodial parent or guardian within 24 hours of the determination that the student is missing, students are also advised that, in addition to notifying any additional contact person designated by the student. Students are advised that, for all missing students, NTC will notify the local law enforcement agency within 24 hours of the determination that the student is missing, unless the local law enforcement agency was the entity that made the determination that the student is missing.

Should the NTC Security Department investigate and determine that a residential student is missing, contact will then be made to the missing person contact, if contact information has been provided, within twenty-four (24) hours of the determination that the student is missing by the NTC Security Department.

If a student is under the age of 18 and not emancipated, the College must notify a custodial parent or guardian within 24 hours of determination that the student is missing. This is in addition to contacting anyone that the student has designated as their contact for missing persons cases.

Regardless of whether the student has identified a contact person, is above the age of 18, or is an emancipated minor, NTC will notify the appropriate law enforcement agency that the student is missing within 24 hours.

Title IX

Title IX is a comprehensive federal law that prohibits sex discrimination in higher educational institutions. Specifically, it states that “no person in the United States shall be based on sex be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving federal financial assistance.”

In 1987 that scope was extended to any educational institution, governmental entity, or private employer that received federal funding.

Northcentral Technical College prohibits all forms of illegal discrimination, harassment, intimidation, and coercion on campus and at College-related activities and functions. NTC is required to investigate all allegations regarding sexual misconduct under Title IX. Bystander Intervention

Northcentral Technical College believes that risky, potentially dangerous situations can be avoided if a bystander witnesses the event and steps in to intervene. NTC encourages students who observe a concerning situation to move past being a bystander and become active.

Bystanders play a critical role in the prevention of sexual and relationship violence. They are “individuals who observe violence or witness the conditions that perpetuate violence. They are not directly involved but have the choice to intervene, speak up, or do something about it.” We want to promote a culture of community accountability where bystanders are actively engaged in the prevention of violence without causing further harm. We may not always know what to do even if we want to help. Below is a list of some ways to be an active bystander. Further information regarding bystander intervention may be found. If you or someone else is in immediate danger, dial 911. This could be when a person is yelling at or being physically abusive towards another and it is not safe for you to interrupt.

- 1) Watch out for your friends and fellow students/employees. If you see someone who looks like they could be in trouble or need help, ask if they are ok.

- 2) Confront people who seclude, hit on, try to make out with, or have sex with people who are incapacitated.
- 3) Speak up when someone discusses plans to take sexual advantage of another person.
- 4) Believe someone who discloses sexual assault, abusive behavior, or experience with stalking.
- 5) Refer people to on or off-campus resources listed in this document for support in health, counseling, or with legal assistance.

Here are some tips to become an active bystander:

- 1) Dial 911
- 2) Call NTC Security at 715.803.1111
- 3) Tell a staff person what you observed
- 4) Submit a report through [Maxient](#)
- 5) Yell for help
- 6) Intervene directly, if you feel you can safely do so
- 7) Ask a victim if he/she is OK and actively listen to them without telling them what to do

Risk Reduction

With no intent to victim blame and recognizing that only abusers are responsible for their abuse, the following are some strategies to reduce one's risk of sexual assault or harassment (taken from Rape, Abuse, & Incest National Network, www.rainn.org)

1. **Be aware** of your surroundings. Knowing where you are and who is around you may help you to find a way to get out of a bad situation.
2. Try to **avoid isolated areas**. It is more difficult to get help if no one is around.
3. **Walk with purpose**. Even if you don't know where you are going, act as you do.
4. **Trust your instincts**. If a situation or location feels unsafe or uncomfortable, it probably isn't the best place to be.
5. **Try not to load yourself down** with packages or bags as this can make you appear more vulnerable.
6. **Make sure your cell phone is with you** and charged.
7. **Don't allow yourself to be isolated** from someone you don't trust or someone you don't know.
8. **Avoid putting music headphones in both ears** so that you can be more aware of your surroundings, especially if you are walking alone.

9. **When you go to a social gathering, go with a group of friends.** Arrive together, check in with each other throughout the evening, and leave together. Knowing where you are and who is around you may help you to find a way out of a bad situation.
10. **Trust your instincts.** If you feel unsafe in any situation, go with your gut. If you see something suspicious, contact law enforcement immediately (local authorities can be reached by calling 911 in most areas of the U.S.).
11. **Don't leave your drink unattended** while talking, dancing, using the restroom, or making a phone call. If you've left your drink alone, just get a new one.
12. **Don't accept drinks from people you don't know or trust.** If you choose to accept a drink, go with the person to the bar to order it, watch it being poured, and carry it yourself. At parties, don't drink from the punch bowls or other large, common open containers.
13. **Watch out for your friends, and vice versa.** If a friend seems out of it, is way too intoxicated for the amount of alcohol they've had, or is acting out of character, get him or her to a safe place immediately.
14. **If you suspect you or a friend has been drugged, contact law enforcement immediately (local authorities can be reached by calling 911 in most areas of the U.S.).** Be explicit with doctors so they can give you the correct tests (you will need a urine test and possibly others).
15. If you need to get out of an uncomfortable or scary situation here are some things that you can try:
 - a) **Remember that being in this situation is not your fault.** You did not do anything wrong, it is the person who is making you uncomfortable that is to blame.
 - b) **Be true to yourself.** Don't feel obligated to do anything you don't want to do. "I don't want to" is always a good enough reason. Do what feels right to you and what you are comfortable with.
 - c) **Have a code word with your friends or family** so that if you don't feel comfortable you can call them and communicate your discomfort without the person you are with knowing. Your friends or family can then come to get you or make up an excuse for you to leave.
 - d) **Lie.** If you don't want to hurt the person's feelings it is better to lie and make up a reason to leave than to stay and be uncomfortable, scared, or worse. Some excuses you could use are: needing to take care of a friend or family member, not feeling well, having somewhere else that you need to be, etc.
16. **Try to think of an escape route.** How would you try to get out of the room? Where are the doors? Windows? Are there people around who might be able to help you? Is there an emergency phone nearby?
17. **If you and/or the other person have been drinking,** you can say that you would rather wait until you both have your full judgment before doing anything you may regret later.

Off-Campus Help & Support

Contact your local Police Department to report abuse and to help keep yourself safe, 911 or the non-emergency number. Any of the on-or off-campus resources can assist in finding information about legal options such as filing a protective/harassment order. Even if you do not plan on talking to anyone on campus about the incident, please submit a report form through [Maxient](#). This information will help Northcentral Technical College obtain a more accurate picture of the violence that is happening on and around campus.

Confidential Reporting Policy

If you are the victim of a crime and do not want to pursue action by the NTC Security Department or the criminal justice system, you may still want to consider making a confidential report. With your permission, NTC Security Staff will report on the details of the crime without revealing your identity. The purpose of the confidential report is to comply with your wish to keep the matters confidential while taking steps to ensure the future safety of yourself and others. With such information, NTC Security can keep an accurate record of the number of incidents involving students, determine where there is a pattern of crime concerning a particular location, method, or assailant, and alert the campus community of potential danger. Reports filed in the matter are counted and disclosed in the annual crime statistic report for Northcentral Technical College.

Counseling Services Confidentiality Statement

Northcentral Technical College Counseling Services is required by law and by professional ethics to protect the confidentiality of all communication between counselor and counselee. In some situations involving danger and/or risk of imminent harm, counselors are required to disclose certain information to protect all involved. In certain legal situations, including court orders, counselors are required to disclose information as necessary to comply with the law in that situation. If at all possible, counselors will discuss the procedures for doing this and enlist the counselee's assistance in a resolution of the situation that has necessitated such disclosure. Campus "Professional Counselors," when acting as such, are not considered to be a campus security authority for Clery Act purposes and are *not* required to report crimes for inclusion in the annual disclosure of crime statistics. Counselors are encouraged to inform people being counseled of the procedures to report crimes to the NTC Security Department voluntarily for inclusion in the annual report statistics.

Accommodations and Protective Measures Available for Victims

Upon receipt of a report of domestic violence, dating violence, sexual assault, or stalking, NTC will provide written notification to students and employees about accommodations available to them, including academic, living, transportation, protective orders, and working situations. The written notification will include information regarding the accommodation options, available assistance in requesting accommodations, and how to request accommodations and protective measures (i.e., the notification will include the name and contact information of the individual or office that should be contacted to request the accommodations).

At the victim's request, and to the extent of the victim's cooperation and consent, College offices will work cooperatively to assist the victim in obtaining accommodations. If reasonably available, a victim may be offered changes to academic, living, working, protective measures, or transportation situations regardless of whether the victim chooses to report the crime to campus police or local law enforcement. Examples of options for a potential change to the academic situation may be to transfer to a different section of a class, withdraw and take a class at another time if there is no option for moving to a different section, etc. Potential changes to living situations may include moving to a different room or residence hall. Possible changes to work situations may include changing working hours. Possible changes in transportation may include having the student or employee park in a different location, assisting the student or employee with a safety escort, etc.

Student Due Process

Northcentral Technical College Code of Student Conduct and Due Process guideline is adapted from The NCHERM Group Model Developmental Code of Student Conduct and is used here with permission. www.ncher.org

Each member of the Northcentral Technical College community bears responsibility for their conduct and assumes reasonable responsibility for the behavior of others. When members of the community fail to exemplify these five values by engaging in violation of the Student Code of Conduct, campus conduct proceedings are used to assert and uphold the *Student Code of Conduct*.

The student conduct process at Northcentral Technical College is not intended to punish students; rather, it exists to protect the interests of the community and to challenge those whose behavior is not following our policies. Sanctions are intended to challenge students' moral and ethical decision-making and to help them bring their behavior into accord with our community's expectations. When a student is unable to conform their behavior to community expectations, the student conduct process may determine that the student should no longer share in the privilege of participating in this community.

Students should be aware that the student conduct process is quite different from criminal and civil court proceedings. Procedures and rights in student conduct procedures are conducted with fairness to all but do not include the same protections of due process afforded by the courts. Due process, as defined within these procedures, assures written notice and a hearing before an objective decision-maker. No student will be found in violation of Northcentral Technical College policy without information showing that it is more likely than not that a policy violation occurred and any sanctions will be proportionate to the severity of the violation and the cumulative conduct history of the student.

Students at Northcentral Technical College are provided a copy of the *Student Code of Conduct* annually in the form of a link on the Northcentral Technical College website, <http://www.ntc.edu/student-code-conduct>. Hard copies are available upon request from the Office of Student Development. Students are responsible for having read and abiding by the provisions of the *Student Code of Conduct*.

How the Conduct Process Works

This overview gives a general idea of how Northcentral Technical College's campus conduct proceedings work, but it should be noted that not all situations are of the same severity or complexity. Thus, these procedures are flexible, and are not the same in every situation, though consistency in similar situations is a priority. The campus conduct process and all applicable timelines commence with notice to an administrator of a potential violation of Northcentral Technical College rules.

Please note that many instances of disruptive behavior can be managed by an instructor or staff member, and no reporting is necessary. Many programs have specific protocols for dealing with student behavior. If you observe troubling behavior, please call NTC Student Security at Ext. 1111.

On-Campus Help & Support

You can seek help and support AND make a formal anonymous campus report if you so choose by filling out a report form through Maxient.

If you fear for your immediate safety, contact 911. Staff on campus who can assist you are:

Campus Security, extension 1111 or 715.803.1111

Danny Zusman CEO, thevirtualcaregroup.com (310) 365-5222

Cher Vink, Title IX Coordinator, (715)803-1057

Note that by law, all NTC staff are mandated to report any potential Title IX violations for investigation. The only individual on campus who can confidentially hold a potential Title IX violation is the staff through Virtual Care Group, our contracted vendor for counseling services.

Off-Campus Help & Support

Contact your local Police Department to report abuse and to help keep yourself safe, 911 or the non-emergency number. Any of the on-or off-campus resources can assist in finding information about legal options such as filing a protective/harassment order. Even if you do not plan on talking to anyone on campus about the incident, please submit a report form through [Maxient](#). This information will help Northcentral Technical College obtain a more accurate picture of the violence that is happening on and around campus.

Bystander Intervention

Northcentral Technical College believes that risky, potentially dangerous situations can be avoided if a bystander witnesses the event and steps in to intervene. NTC encourages students who observe a concerning situation to move past being a bystander and become active.

Bystanders play a critical role in the prevention of sexual and relationship violence. They are “individuals who observe violence or witness the conditions that perpetuate violence. They are not directly involved but have the choice to intervene, speak up, or do something about it.” We want to promote a culture of community accountability where bystanders are actively engaged in the prevention of violence without causing further harm. We may not always know what to do even if we want to help. Below is a list of some ways to be an active bystander. Further information regarding bystander intervention may be found. If you or someone else is in immediate danger, dial 911. This could be when a person is yelling at or being physically abusive towards another and it is not safe for you to interrupt.

- 1) Watch out for your friends and fellow students/employees. If you see someone who looks like they could be in trouble or need help, ask if they are ok.
- 2) Confront people who seclude, hit on, try to make out with, or have sex with people who are incapacitated.
- 3) Speak up when someone discusses plans to take sexual advantage of another person.
- 4) Believe someone who discloses sexual assault, abusive behavior, or experience with stalking.
- 5) Refer people to on or off-campus resources listed in this document for support in health, counseling, or with legal assistance.

Here are some tips to become an active bystander:

- 1) Dial 911
- 2) Call NTC Security at 715.803.1111
- 3) Tell a staff person what you observed
- 4) Submit a report through Maxient. <https://cm.maxient.com/reportingform.php?NorthcentralTC>
- 5) Yell for help
- 6) Intervene directly, if you feel you can safely do so
- 7) Ask a victim if he/she is OK and actively listen to them without telling them what to do

Risk Reduction

With no intent to victim blame and recognizing that only abusers are responsible for their abuse, the following are some strategies to reduce one's risk of sexual assault or harassment (taken from Rape, Abuse, & Incest National Network, www.rainn.org)

1. **Be aware** of your surroundings. Knowing where you are and who is around you may help you to find a way to get out of a bad situation.
2. Try to **avoid isolated areas**. It is more difficult to get help if no one is around.
3. **Walk with purpose**. Even if you don't know where you are going, act as you do.
4. **Trust your instincts**. If a situation or location feels unsafe or uncomfortable, it probably isn't the best place to be.
5. **Try not to load yourself down** with packages or bags as this can make you appear more vulnerable.
6. **Make sure your cell phone is with you** and charged.
7. **Don't allow yourself to be isolated** from someone you don't trust or someone you don't know.

8. **Avoid putting music headphones in both ears** so that you can be more aware of your surroundings, especially if you are walking alone.
9. **When you go to a social gathering, go with a group of friends.** Arrive together, check in with each other throughout the evening, and leave together. Knowing where you are and who is around you may help you to find a way out of a bad situation.
10. **Trust your instincts.** If you feel unsafe in any situation, go with your gut. If you see something suspicious, contact law enforcement immediately (local authorities can be reached by calling 911 in most areas of the U.S.).
11. **Don't leave your drink unattended** while talking, dancing, using the restroom, or making a phone call. If you've left your drink alone, just get a new one.
12. **Don't accept drinks from people you don't know or trust.** If you choose to accept a drink, go with the person to the bar to order it, watch it being poured, and carry it yourself. At parties, don't drink from the punch bowls or other large, common open containers.
13. **Watch out for your friends and vice versa.** If a friend seems out of it, is way too intoxicated for the amount of alcohol they've had, or is acting out of character, get him or her to a safe place immediately.
14. **If you suspect you or a friend has been drugged, contact law enforcement immediately (local authorities can be reached by calling 911 in most areas of the U.S.).** Be explicit with doctors so they can give you the correct tests (you will need a urine test and possibly others).
15. If you need to get out of an uncomfortable or scary situation here are some things that you can try:
 - a. **Remember that being in this situation is not your fault.** You did not do anything wrong, it is the person who is making you uncomfortable that is to blame.
 - b. **Be true to yourself.** Don't feel obligated to do anything you don't want to do. "I don't want to" is always a good enough reason. Do what feels right to you and what you are comfortable with.
 - c. **Have a code word with your friends or family** so that if you don't feel comfortable you can call them and communicate your discomfort without the person you are with knowing. Your friends or family can then come to get you or make up an excuse for you to leave.
 - d. **Lie.** If you don't want to hurt the person's feelings it is better to lie and make up a reason to leave than to stay and be uncomfortable, scared, or worse. Some excuses you could use are: needing to take care of a friend or family member, not feeling well, having somewhere else that you need to be, etc.
16. **Try to think of an escape route.** How would you try to get out of the room? Where are the doors? Windows? Are there people around who might be able to help you? Is there an emergency phone nearby?
17. **If you and/or the other person have been drinking,** you can say that you would rather wait until you both have your full judgment before doing anything you may regret later.

Security Awareness and Crime Prevention Programs

Northcentral Technical College is committed to a safe and secure learning environment. This is achieved by providing training and information to both students and employees by employing various methods. A common theme of all awareness and crime prevention programs is to encourage students and employees to be responsible for their safety and the safety of others on campus. In all, over 20 seminars and training were held for faculty, staff, and students to increase the awareness of our college community covering various topics as disclosed below. Additionally, all employees at Northcentral Technical College were required to complete an online training class from the ALICE Training Institute on how to respond in the event of an Active Killer situation. All crime prevention and security awareness programs encourage students and employees to be responsible for their security and the security of others. Participants in the various offered programs are asked to be alert, security-conscious, and involved and advised to call the Department of Safety and Security to report any suspicious behavior. For additional information regarding different awareness seminars or programs upcoming, contact the Associate Vice President of Facilities and Security at 262-564-2812.

Students

The first action of prevention and awareness occurs during new student orientation, which occurs at the beginning of each semester at each campus location. Incoming students are educated as to how to remain safe while on campus, secure valuable belongings, be prepared in the event of an emergency, how to report incidents and crimes and who to report to, the role of the BIT team and confidential counselors, what the Violence Against Women Act is and the role of Title IX (i.e. Dating Violence, Domestic Violence, Sexual Assault and Stalking), procedures for getting help should you encounter any form of sexual misconduct or sexual assault. In addition, campus public safety announcements are made throughout the year to keep students engaged in their safety.

Employees

The first action of prevention and awareness occurs during new employees' NTC orientation and the new faculty orientation. New employees are taught about the college's emergency response procedures, how to remain safe on campus, how to report incidents and crimes and who to report to, the role of the BIT team and other resources available to students in need, what the Violence Against Women Act is and the role of Title IX (i.e. Dating Violence, Domestic Violence, Sexual Assault and Stalking), procedures for getting help should you encounter any form of sexual misconduct or sexual assault. In addition, various seminars are offered multiple times per year on the topics of Safety, Security, Title IX, and Alcohol and Drug Abuse prevention. Special training is provided to employees who hold responsibility for ensuring compliance with Title IX, Clery Act, and student conduct. Also, at different department and campus meetings, the Department of Safety and Security provides updates to faculty and staff in attendance on various topics to increase awareness and safety. Lastly, campus public safety announcements are made throughout the year to keep employees engaged in their safety.

Procedures Victims Should Follow if a Crime of Domestic Violence, Dating Violence, Sexual Assault, and Stalking Occur

After an incident of sexual assault, dating violence, or domestic violence, the victim should consider seeking medical attention as soon as possible at Aspirus Wausau Hospital or Ascension St. Claire's. In Wisconsin, evidence may be collected even if you chose not to make a report to law enforcement. Reports can be made anonymous.

It is important that a victim of sexual assault not bathe, douche, smoke, change clothing or clean the bed/linen/area where they were assaulted of the offense occurred within the past 96 hours so that evidence may be preserved that may assist in providing that the alleged criminal offense occurred/ or is occurring or may be helpful in obtaining a protection order. In circumstances of sexual assault, if victims do not opt for forensic evidence collection, health care providers can still treat injuries and take steps to address concerns of pregnancy

and/or sexually transmitted infections. Victims of sexual assault, domestic violence, stalking, and dating violence are encouraged to also preserve evidence by saving text messages, instant messages, social networking pages, other communications, and keeping pictures, logs or other copies of documents, if they have any, that would be useful to College adjudicators/investigators or police.

As time passes, evidence may dissipate or become lost or unavailable, thereby making investigation, possible prosecution, disciplinary proceedings, or obtaining protection from abuse orders related to the incident more difficult. If a victim chooses not to make a complaint regarding an incident, he or she nevertheless should consider speaking with Campus Security or other law enforcement to preserve evidence in the event that the victim decides to report the incident to law enforcement or the College at a later date to assist in proving that the alleged criminal offense occurred or that may be helpful in obtaining a protection order.

Reporting Incidents of Domestic Violence, Dating Violence, Sexual Assault, and Stalking

If you have been the victim of domestic violence, dating violence, sexual assault, or stalking, you should report the incident promptly to the Title IX Coordinator, Cher Vink, Vice President of Human Resources (715) 803-1057 by calling, writing or coming into the office to report in person and Campus Security (if the victim so desires.) Reports of all domestic violence, dating violence, sexual assault and stalking made to Campus Security will automatically be referred to the Title IX Coordinator for investigation regardless of if the complainant chooses to pursue criminal charges.

Procedures the College Will Follow When a Crime of Domestic Violence, Dating Violence, Sexual Assault, and Stalking is Reported

The College has procedures in place that serve to be sensitive to victims who report sexual assault, domestic violence, dating violence, and stalking, including informing individuals about their right to file criminal charges as well as the availability of counseling, health, mental health, victim advocacy, legal assistance, visa and immigration assistance and other services on and/or off campus as well as additional remedies to prevent contact between a complainant and an accused party, such as housing, academic, protective orders, transportation, and working accommodations, if reasonably available. The College will make such accommodations, if the victim requests them and if they are reasonably available, regardless of whether the victim chooses to report the crime to the Security Department or local law enforcement. Students and employees should contact Cher Vink at Vink@ntc.edu, or (715) 803-1057.

1. Procedurally, when NTC receives a report of sexual misconduct, gender-based violence, or other sex or gender discrimination the Title IX Coordinator is notified. If the victim wishes to access local community agencies and/or law enforcement for support, NTC will assist the victim in making these contacts. The Title IX Coordinator will offer assistance to victims in the form of interim or long-term measures such as opportunities for academic accommodations, changes in working situations, and other assistance as may be appropriate and available on campus or in the community (such as no contact orders, campus escorts, targeted interventions, etc.). If the victim so desires, they will be connected with a counselor on- or off-campus, as well as an on-or off-campus victim=s advocate. No victim is required to take advantage of these services and resources, but NTC provides them in the hopes of offering help and support without condition or qualification. A summary of rights, options, supports, and procedures, in the form of this document, is provided to all victims, whether they are a student, employees, contractors, or visitors, and whether the offense occurred on or off campus.
2. When appropriate upon receipt of the notice, the Title IX Coordinator will cause a prompt, fair and impartial process to be initiated, commencing with an investigation that may lead to the imposition of sanctions, based upon a preponderance of the evidence (what is more likely than not), upon a responding

student or other accused individual. Procedures detailing the investigation and resolution processes of NTC can be found online at <https://www.ntc.edu/policies/title-ix>.

3. The Title IX Coordinator is ultimately responsible for assure in all cases that the behavior is brought to an end, NTC acts to reasonably prevent its recurrence, and the effects on the victim and the community are remedied. NTC is also responsible for assure that training is conducted annually for all advocates, investigators, and appeals officers of NTC to protect the safety of victims and promote accountability. Training will focus on sexual misconduct, domestic violence, dating violence, sexual assault, stalking, sexual harassment, retaliation, and other behaviors that can be forms of sex or gender discrimination covered by Title IX and the Clery Act. Training will help those decision-makers in the process to protect the safety of victims and promote accountability for those who commit an offense.
4. The investigation (including records of the resolution) conducted by NTC is confidential. Information is shared internally between administrators who need to know, but a tight circle is kept. Where information must be shared to permit the investigation to move forward, the person bringing the accusation will be informed. Privacy of the records specific to the investigation is maintained in accordance with State of Wisconsin law and the federal FERPA statute. Any public release of information to comply with the open crime logs or timely warning provisions of the Clery Act will not release the names of victims or information that could easily lead to a victim's identification. Additionally, NTC maintains privacy in relation to any accommodations or protective measures afforded to a victim, except to the extent necessary to provide the accommodations and/or protective measures.
5. In any complaint of sexual misconduct, sexual assault, stalking, dating violence, domestic violence, or other sex or gender-based discrimination covered under the federal law, Title IX, the person bringing the accusation and the responding party are entitled to the same opportunities for a support person or advisor of their choice throughout the process, including any meeting, conference, or other procedural action. Once complete, the parties will be simultaneously informed, in writing, of the outcome, including the finding, the sanctions (if any), and the rationale therefor. Delivery of this outcome to the parties will occur without undue delay between notifications. All parties will be informed of the college's appeal processes and their rights to exercise a request for appeal. Should any change in outcome occur before finalization, all parties will be promptly informed in writing and will be notified when the results of the resolution process become final.
6. In the event that sexual misconduct, gender-based violence, or crimes of sexual assault, stalking, dating violence or domestic violence do occur, NTC takes the matter very seriously. The college employs interim protection measures such as interim suspension and/or no contact orders in any case where a student's or employee's behavior represents a risk of violence, threat, pattern, or predation. If a student or employee is accused of sexual misconduct, other gender-based violence, or the crimes of rape, sexual assault, sexual harassment, stalking, dating violence, or domestic violence, s/he is subject to action in accordance with the Student Code of Conduct in the student handbook and the procedures and practices identified in the Administrative Procedures and College Practices Manual.

Assistance for Victims: Rights & Options

Regardless of whether a victim elects to pursue a criminal complaint or whether the offense is alleged to have occurred on or off campus, NTC will assist victims of sexual assault, domestic violence, dating violence, and stalking and will provide each victim with a verbal explanation of their rights and options. Such verbal information will include:

- 1) The procedures victims should follow if a crime of dating violence, domestic violence, sexual assault, or stalking has occurred;
- 2) Information about how NTC will protect the confidentiality of victims and other necessary parties;
- 3) A statement that NTC will provide written notification to students and employees about victim services within the institution and in the community;

Rights of Victims and the Institution's Responsibilities for Orders of Protection, “No Contact” Orders, Restraining Orders, or Similar Lawful Orders Issued by a Criminal, Civil, or Tribal Court or by the Institution

NTC complies with Wisconsin law in recognizing orders of protection. Any person who obtains an order of protection from Wisconsin should provide a copy to Security Department. A complainant may then meet with Campus Security to develop a Safety Action Plan, which is a plan for Campus Security and the victim to reduce the risk of harm while on campus or coming and going from campus. This plan may include, but is not limited to: escorts, special parking arrangements, changing classroom location or allowing a student to complete assignments from home, etc.) NTC cannot apply for a legal order of protection, no-contact order, or restraining order for a victim from the applicable jurisdiction(s).

The victim is required to apply directly for these services. Protection orders may be available through the court in the jurisdiction in which the crime took place.

Types of Order:	Who Can File for One	Court:	Based on :

NTC may issue an institutional no-contact order if deemed appropriate or at the request of the victim or accused. If the College receives a report that such an institutional no contact order has been violated, the College will initiate disciplinary proceedings appropriate to the status of the accused (student, employee, etc.) and will impose sanctions if the accused is found responsible for violating the no contact order.

Accommodations and Protective Measures Available for Victims

Upon receipt of a report of domestic violence, dating violence, sexual assault, or stalking, NTC will provide written notification to students and employees about accommodations available to them, including academic, living, transportation, protective orders, and working situations. The written notification will include

information regarding the accommodation options, available assistance in requesting accommodations, and how to request accommodations and protective measures (i.e., the notification will include the name and contact information of the individual or office that should be contacted to request the accommodations).

At the victim’s request, and to the extent of the victim’s cooperation and consent, College offices will work cooperatively to assist the victim in obtaining accommodations. If reasonably available, a victim may be offered changes to academic, living, working, protective measures, or transportation situations regardless of whether the victim chooses to report the crime to campus police or local law enforcement. Examples of options for a potential change to the academic situation may be to transfer to a different section of a class, withdraw and take a class at another time if there is no option for moving to a different section, etc. Potential changes to living situations may include moving to a different room or residence hall. Possible changes to work situations may include changing working hours. Possible changes in transportation may include having the student or employee park in a different location, assisting the student or employee with a safety escort, etc.

To request changes to academic, living, working situations, or protective measures, a victim should contact the Title IX Coordinator Cher Vink at, (715)803-1057. Employees should contact Cher Vink at, (715)803-1057.

Confidentiality

Victims may request that directory information on file with the College be withheld by request with the Registrar, Nick Blanchette, (715)803-1025

Regardless of whether a victim has opted out of allowing the College to share “directory information,” personally identifiable information about the victim and other necessary parties will be treated as confidential and only shared with persons who have a specific need-to-know, i.e., those who are investigating/adjudicating the report or those involved in providing support services to the victim, including accommodations and protective measures. By only sharing personally identifiable information with individuals on a need-to-know basis, the institution will maintain as confidential, any accommodations or protective measures provided to the victim to the extent that maintaining such confidentiality would not impair the ability of the institution to provide the accommodations or protective measures.

The College does not publish the name of crime victims or other identifiable information regarding victims in the Daily Crime Log or in the annual crime statistics that are disclosed in compliance with the *Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act*. Furthermore, if a Timely Warning Notice is issued based on a report of domestic violence, dating violence, sexual assault, or stalking, the name of the victim and other personally identifiable information about the victim will be withheld.

Student Due Process

Northcentral Technical College Code of Student Conduct and Due Process guideline are adapted from The NCHERM Group Model Developmental Code of Student Conduct and are used here with permission.

www.ncher.org

Each member of the Northcentral Technical College community bears responsibility for their conduct and assumes reasonable responsibility for the behavior of others. When members of the community fail to exemplify these five values by engaging in violation of the Student Code of Conduct, campus conduct proceedings are used to assert and uphold the *Student Code of Conduct*.

The student conduct process at Northcentral Technical College is not intended to punish students; rather, it exists to protect the interests of the community and to challenge those whose behavior is not in accordance with our policies. Sanctions are intended to challenge students’ moral and ethical decision-making and to help them bring their behavior into accord with our community's expectations. When a student is unable to conform their behavior to community expectations, the student conduct process may determine that the student should no longer share in the privilege of participating in this community.

Students should be aware that the student conduct process is quite different from criminal and civil court proceedings. Procedures and rights in student conduct procedures are conducted with fairness to all but do not include the same protections of due process afforded by the courts. Due process, as defined within these procedures, assures written notice and a hearing before an objective decision-maker. No student will be found in violation of Northcentral Technical College policy without information showing that it is more likely than not

that a policy violation occurred and any sanctions will be proportionate to the severity of the violation and the cumulative conduct history of the student.

Students at Northcentral Technical College are provided a copy of the *Student Code of Conduct* annually in the form of a link on the Northcentral Technical College website, <http://www.ntc.edu/student-code-conduct>. Hard copies are available upon request from the Office of Student Development. Students are responsible for having read and abiding by the provisions of the *Student Code of Conduct*.

How the Conduct Process Works

This overview gives a general idea of how Northcentral Technical College's campus conduct proceedings work, but it should be noted that not all situations are of the same severity or complexity. Thus, these procedures are flexible, and are not the same in every situation, though consistency in similar situations is a priority. The campus conduct process and all applicable timelines commence with notice to an administrator of a potential violation of Northcentral Technical College rules.

Please note that many instances of disruptive behavior can be managed by an instructor or staff member, and no reporting is necessary. Many programs have specific protocols for dealing with student behavior. If you observe troubling behavior, please call NTC Student Security at Ext. 1111.

Northcentral Technical College as Convener

Northcentral Technical College is the convener of every action under this process. Within that action, there are several roles. The responding student is the person who is alleged to have violated the Code. The party bringing the complaint, who may be a student, employee, visitor, or guest, may choose to be present and participate in the process as fully as the responding student. There are witnesses, who may offer information regarding the allegation. There is an investigator(s) whose role is to present the allegations and share the evidence that Northcentral Technical College has obtained regarding the allegations.

Group Violations

A student group or organization and its officers and membership may be held collectively and individually responsible when violations of this code by the organization or its member(s):

Take place at organization-sponsored or co-sponsored events, whether sponsorship is formal or tacit;

1) Have received the consent or encouragement of the organization or the organization's leaders or officers;
or

2) Were known or should have been known to the membership or its officers.

Hearings for student groups or organizations follow the same general student conduct procedures. In any such action, individual determinations as to responsibility will be made and sanctions may be assigned collectively and individually and will be proportionate to the involvement of each individual and the organization.

Amnesty

▪ For Victims

1) Northcentral Technical College provides amnesty to victims who may be hesitant to report to Northcentral Technical College officials because they fear that they themselves may be accused of minor policy violations, such as underage drinking, at the time of the incident. Educational options will be explored, but no conduct proceedings or conduct record will result.

- **For Those Who Offer Assistance**

1) To encourage students to offer help and assistance to others, Northcentral Technical College pursues a policy of amnesty for minor violations when students offer help to others in need. At the discretion of the Director of Student Development, amnesty may also be extended on a case-by-case basis to the person receiving assistance. Educational options will be explored, but no conduct proceedings or conduct record will result.

- **For Those Who Report Serious Violations**

1) Students who are engaged in minor violations but who choose to bring related serious violations by others to the attention of Northcentral Technical College are offered amnesty for their minor violations. Educational options will be explored, but no conduct proceedings or records will result. Abuse of amnesty requests can result in a decision by the Director of Student Development not to extend amnesty to the same person repeatedly.

- **Safe Harbor**

1) Northcentral Technical College has a Safe Harbor rule for students. NTC believes that students who have a drug and/or addiction problem deserve help. If any Northcentral Technical College student brings their own use, addiction, or dependency to the attention of Northcentral Technical College officials outside the threat of drug tests or conduct sanctions and seeks assistance, a conduct complaint will not be pursued. A written action plan may be used to track cooperation with the Safe Harbor program by the student. Failure to follow the action plan will nullify the Safe Harbor protection and campus conduct processes will be initiated.

Notice of Alleged Violation

Any member of the Northcentral Technical College community, visitor, or guest may allege a policy violation(s) by any student for misconduct under the Student Code of Conduct by reporting a concern to the Director of Security or online here: <https://publicdocs.maxient.com/incidentreport.php?NorthcentralTC>.

Notice may also be given to the Director of Student Development (or designee) and/or to the Title IX Coordinator, when appropriate. Additionally, administrators may act on notice of a potential violation whether a formal allegation is made or not. All allegations can be submitted by a victim or a third party and should be submitted as soon as possible after the offending event occurs. Northcentral Technical College has the right to pursue an allegation or notice of misconduct on its behalf and to serve as convener of the subsequent campus conduct process.

The Director of Security (or designee) will assume responsibility for the investigation of the alleged violation as described in the sub-section below.

Investigation

Investigations will be conducted with the procedures described below. The Director of Security will act as an investigator(s) for allegations under the Student Code of Conduct. If determined to be a Title IX issue, the Title IX Coordinator will assign an investigator. The investigator(s) will take the following steps:

- 1) Initiate any necessary remedial actions on behalf of the victim (if any);
- 2) Determine the identity and contact information of the party bringing the complaint, whether that person is the initiator of the complaint, the alleged victim, or a Northcentral Technical College proxy or representative;

- 3) Conduct an immediate preliminary investigation to identify an initial list of all policies that may have been violated, to review the history of the parties, the context of the incident(s), any potential patterns, and the nature of the complaint;
 - a) If the victim is reluctant to pursue the complaint, determine whether the complaint should still be pursued and whether sufficient independent evidence could support the complaint without the participation of the victim;
 - b) Notify the victim of whether Northcentral Technical College intends to pursue the complaint regardless of their involvement, and inform the victim of their rights in the process and the option to become involved if they so choose;
 - c) Preliminary investigation usually takes between 1-7 business days to complete;
- 4) If indicated by the preliminary investigation and authorized by the Coordinator or Director of Student Development, conduct a comprehensive investigation to determine if there is reasonable cause to believe that the responding student violated Northcentral Technical College policy, and to determine what specific policy violations should serve as the basis for the complaint;
 - a) If there is insufficient evidence through the investigation to support a reasonable cause, the allegations will be closed with no further action;
 - b) A comprehensive investigation usually takes between one day and two weeks;
- 5) Meet with the party bringing the complaint to finalize the Party bringing the complaint's Statement, which will be drawn up by the investigator or designee as a result of this meeting;
- 6) Commence a thorough, reliable, and impartial investigation by developing a strategic investigation plan, including a witness list, evidence list, intended timeframe, and order of interviews for all witnesses and the responding student, who may be given notice of the interview before or at the time of the interview;
 - a) Prepare the notice of alleged policy violation(s) based on the reasonable cause determination, which may be delivered before, during, or after the responding student is interviewed, at the discretion of the investigator(s);
- 7) Interview all relevant witnesses, summarize the information they can share, and have each witness sign the summary to verify its accuracy;
- 8) Obtain all documentary evidence and information that is available;
- 9) Obtain all available physical evidence;
- 10) Complete the investigation promptly by analyzing all available evidence without unreasonable deviation from the intended timeline;
- 11) Make a finding, based on a preponderance of the evidence (whether a policy violation is more likely than not);

12) In cases of potential violations of the Student Code of Conduct, the investigation report will be submitted to the Director of Student Development for a potential Code of Conduct violation review and meeting.

a) **A meeting is not deemed necessary:**

- If a meeting is not deemed necessary due to a minor policy violation, a letter will be sent to the student's NTC email and the mailing address on file with NTC, explaining general information about the incident and the behavior process, including any policy clarification necessary. As a matter of due process, students have the right to discuss an incident at any time with the Director of Student Development and are encouraged to do so, if they have questions or concerns.

b) **A meeting is deemed necessary to discuss an incident:**

- This process is outlined in Section G below (Notice of Behavior hearing)

13) In the situation of a Title IX violation, present the investigation report and findings to the responding student.

14) Share the findings and update the party bringing the complaint on the status of the investigation and the outcome.

Findings

The following options describe how to proceed depending on whether the responding student is found responsible and whether the Responding Student accepts or rejects the findings and/or the sanctions either in whole or in part.

1) **The Responding Student is Found “Not Responsible”**

- a) Where the responding student is found not responsible for the alleged violation(s), the investigation will be closed. The party bringing the complaint, if any, may request that the Title IX Coordinator and/or Director of Student Development, as applicable, review the investigation file to possibly re-open the investigation or convene a hearing. The decision to re-open an investigation or convene a hearing rests solely at the discretion of the Title IX Coordinator or the Director of Student Development in these cases and is granted only based on the extraordinary cause.

2) **The Responding Student is Found “Responsible”**

a) **The Responding Student Accepts a Finding of “Responsible” and Accepts the Recommended Sanctions.**

- i) Should the responding student accept the finding that they violated Northcentral Technical College policy, the Investigator will recommend appropriate sanctions for the violation, having consulted with the Director of Student Development and/or Title IX Coordinator, as appropriate. In cases involving discrimination, recommended sanctions will act to end the discrimination, prevent its recurrence, and remedy its effects on the victim and the Northcentral Technical College community.

If the responding student accepts these recommended sanctions, the sanctions are implemented by the Director of Student Development and the process ends. This outcome is not subject to appeal.

3) The Responding Student Rejects a Finding of “Responsible” and/or Rejects the Sanctions Recommended.

- a) Where the responding student rejects the finding that they violated Northcentral Technical College policy, they may appeal the decision in the following areas:
 - i) There was no evidence to support the conclusions reached.
 - ii) A substantial error in due process was made where the student did not receive adequate notice of the behavior hearing or standard College procedures were not followed.
 - iii) The sanctions imposed were too severe or not appropriate for the violation.
 - iv) There is new evidence of a substantive nature that came to light after the original behavior hearing.

A student requests an appeal by submitting a [Behavior Appeal Form](#) the formal appeals process is described in Section M below

Notice of Behavior Hearing

Once a determination is made that reasonable cause exists for the Director of Student Development to refer a complaint for a behavior hearing, notice will be given to the responding student. Notice will be in writing and may be delivered by one or more of the following methods: in person by the Director of Student Development (or designee); mailed to the local or permanent address of the student as indicated in official Northcentral Technical College records, or emailed to the student’s Northcentral Technical College-issued email account. Once mailed, emailed, and/or received in person, such notice will be presumptively delivered. The letter of notice will:

- 1) Include the alleged violation and notification of where to locate the *Student Code of Conduct* and Northcentral Technical College procedures for resolution of the complaint; and
- 2) Direct the responding student to contact the Director of Student Development (or designee) within a specified period of time to respond to the complaint. This time period will generally be no less than two days from the date of delivery of the summons letter.

A meeting with the Director of Student Development (or designee) may be arranged to explain the nature of the complaint and the conduct process. At this meeting, the responding student may indicate, either verbally or in writing, to the Director of Student Development (or designee), whether they admit to or deny the allegations of the complaint.

Interim Action

Under the *Student Code of Conduct*, the Director of Security or designee may impose restrictions and/or separate a student from the community pending the scheduling of a campus hearing on the alleged violation(s) of the *Student Code of Conduct* when a student represents a threat of serious harm to others, is facing allegations of serious criminal activity, to preserve the integrity of an investigation, to preserve Northcentral Technical College property and/or to prevent disruption of, or interference with, the normal operations of Northcentral Technical College. Interim actions can include separation from the institution or restrictions on

participation in the community for no more than fourteen (14) calendar days pending the scheduling of a campus hearing on the alleged violation(s) of the *Student Code of Conduct*. **[A student who receives an interim suspension may request a meeting with the Director of Student Development or designee to demonstrate why an interim suspension is not merited. Regardless of the outcome of this meeting, Northcentral Technical College may still proceed with the scheduling of a campus hearing].**

During an interim suspension, a student may be denied access to Northcentral Technical College campus/facilities/events. As determined appropriate by the Director of Security, this restriction may include classes and/or all other Northcentral Technical College activities or privileges for which the student might otherwise be eligible. At the discretion of the Director of Security and with the approval of, and in collaboration with, the appropriate Dean(s), alternative coursework options may be pursued to ensure as minimal an impact as possible on the responding student.

Conduct Sanctions

One or more of the following sanctions may be imposed upon any student for any single violation of the *Student Code of Conduct*:

- 1) *Warning*: An official written notice that the student has violated Northcentral Technical College policies and/or rules and that more severe conduct action will result should the student be involved in other violations while the student is enrolled at Northcentral Technical College.
- 2) *Restitution*: Compensation for damage caused to Northcentral Technical College or any person's property. This could also include situations such as failure to return a reserved space to the proper condition – labor costs and expenses. This is not a fine but, rather, a repayment for labor costs and/or the value of property destroyed, damaged, consumed, or stolen.

Parental Notification

Northcentral Technical College reserves the right to notify the parents/guardians of dependent students regarding any conduct situation, particularly alcohol and other drug violations. Northcentral Technical College may also notify parents/guardians of non-dependent students who are under the age of 21 of alcohol and/or other drug violations. Parental notification may also be utilized discretionarily by administrators when permitted by FERPA or consent of the student.

Notification of Outcomes

The outcome of a campus hearing is part of the education record of the responding student and is protected from release under the Federal Education Rights and Privacy Act (FERPA), except under certain conditions. As allowed by FERPA, when a student is accused of a policy violation that would constitute a "crime of violence" or forcible or non-forcible sex offense, Northcentral Technical College will inform the alleged victim/party bringing the complaint in writing of the final results of a hearing regardless of whether Northcentral Technical College concludes that a violation was committed. Such release of information may only include the alleged student's/responding student's name, the violation committed, and the sanctions assigned (if applicable). In

cases of sexual misconduct and other offenses covered by Title IX, only, the rationale for the outcome will also be shared with all parties to the complaint in addition to the finding and sanction(s).

In cases where Northcentral Technical College determines through the student conduct process that a student violated a policy that would constitute a “crime of violence” or non-forcible sex offense, Northcentral Technical College may also release the above information publicly and/or to any third party. FERPA defines “crimes of violence” to include:

- 1) Arson
- 2) Assault offenses (includes stalking)
- 3) Burglary
- 4) Criminal Homicide—manslaughter by negligence
- 5) Criminal Homicide—murder and non-negligent manslaughter
- 6) Destruction/damage/vandalism of property
- 7) Kidnapping/abduction
- 8) Robbery
- 9) Forcible sex offenses
- 10) Non-forcible sex offenses

Failure to Complete Conduct Sanctions

All students, as members of the Northcentral Technical College community, are expected to comply with conduct sanctions within the timeframe specified by the Director of Student Development. Failure to follow through on conduct sanctions by the date specified, whether by refusal, neglect, or any other reason, may result in additional sanctions and/or suspension from Northcentral Technical College. A suspension will only be lifted when compliance with conduct sanctions is satisfactorily achieved. This determination will be made by the Director of Student Development.

Appeal Review Procedures

Any party may request an appeal of the decision of the Behavior process by filing the Behavior/Sanction Appeal form, subject to the procedures outlined below. All sanctions imposed by the original hearing body remain in effect, and all parties should be timely informed of the status of requests for appeal, the status of the appeal consideration, and the results of the appeal decision.

Grounds for Appeal Requests

Appeals requests are limited to the following grounds:

1. A procedural or substantive error occurred that significantly impacted the outcome of the hearing (e.g. substantiated bias, material deviation from established procedures, etc.);
2. To consider new evidence, unavailable during the original hearing or investigation, that could substantially impact the original finding or sanction. A summary of this new evidence and its potential impact must be included;

3. The sanctions imposed are substantially outside the parameters or guidelines set by Northcentral Technical College for this type of offense or the cumulative conduct record of the responding student.

Appeals must be filed in writing on the Behavior/Sanction Appeal within Seven (7) business days of the notice of the outcome of the hearing, barring exigent circumstances. Any exceptions are made at the discretion of the Director of Student Development and, when appropriate, the Title IX Coordinator.

The Appeal Review Officer will conduct an initial review to determine if the appeal request meets the limited grounds and is timely. They may consult with the Director of Student Development and/or Title IX Coordinator on any procedural or substantive questions that arise.

If the appeal is not timely or substantively eligible, the original finding and sanction will stand and the decision is final. If the appeal has standing, the Appeal Review Officer will remand it to the original decision-maker(s), typically within 7 calendar days. Where the original decision-maker may be unduly biased by a procedural or substantive error, a new decision-maker will be constituted to reconsider the matter, which can in turn be appealed, once. Full re-hearings by the Appeal Review Officer are not permitted. Where new evidence is presented or the sanction is challenged, the Appeals Review Officer will return the matter to the original decision-maker for reconsideration.

On reconsideration, the original decision-maker may affirm or change the findings and/or sanctions of the original hearing body according to the permissible grounds. Procedural or substantive errors should be corrected, new evidence should be considered, and sanctions should be proportionate to the severity of the violation and the student's cumulative conduct record.

All decisions are to be made within seven (7) calendar days of submission and are final, as are any decisions made by the original hearing body, Director of Student Development, or Title IX Coordinator as the result of reconsideration consistent with instructions from the Appeal Review Officer.

Other Guidelines for Appeals

- 1) All parties will be timely informed, within seven (7) calendar days of the status of requests for appeal, the status of the appeal consideration, and the results of the appeal decision;
- 2) Every opportunity to return the appeal to the original decision-maker for reconsideration (remand) should be pursued;
- 3) Appeals are not intended to be full re-hearings of the complaint (de novo). In most cases, appeals are confined to a review of the written documentation or record of the original hearing, and pertinent documentation regarding the grounds for appeal; Witnesses may be called if necessary.

Appeals are not an opportunity for appeals panelists to substitute their judgment for that of the original decision-maker merely because they disagree with the finding and/or sanctions. Appeals decisions are to be deferential to the original decision-maker, making changes to the finding only where there is clear error and to the sanction only if there is a compelling justification to do so.

Disciplinary Records

All conduct records are maintained by Northcentral Technical College for seven (7) years from the time of their creation except those that result in separation (suspension or expulsion, including from housing) and those that fall under Title IX, which are maintained indefinitely.

Approval and Implementation

This *Student Code of Conduct and Due Process Guideline* was approved on 6/26/15 and implemented on 7/1/15.

Discrimination, Sexual Harassment, & Sexual Misconduct Complaint Policy

Northcentral Technical College is committed to providing our students, staff, and campus visitors with a safe learning and working environment. As a result, the College recognizes the importance of providing a prompt, effective, and equitable process in response to allegations of discrimination and/or sexual misconduct.

Adjudication of Violations

Northcentral Technical College's disciplinary process includes a prompt, fair, and impartial initial investigation and final resolution process. In all instances, the process will be conducted in a manner that is consistent with NTC's policy and that is transparent to the accuser and the accused. Usually, the resolution of domestic violence, dating violence, sexual assault, and stalking complaints is completed within the timeframe specified in each policy. However, each procedure allows for extensions of the timeframe for good cause with written notice to the accuser and the accused of the delay and the reason for the delay. Northcentral Technical College officials involved in the investigation or adjudication of domestic violence, dating violence, sexual assault, and stalking complaints are trained annually on the issues related to domestic violence, dating violence, sexual assault, and stalking as well as how to conduct an investigation and hearing process that protects the safety of the victim and promotes accountability. Furthermore, each policy provides that:

1. The accuser and the accused will have timely notice for meetings at which the accuser or accused, or both, may be present;
2. The accuser, the accused and appropriate officials will have timely and equal access to any information that will be used during formal and informal disciplinary meetings and hearings;
3. Northcentral Technical College disciplinary procedures will not be conducted by officials who have a conflict of interest or bias for or against the accuser or the accused;
4. The accuser and the accused will have the same opportunities to have others present during ANY NTC DISCIPLINARY PROCEEDING. The accuser and the accused each have the opportunity to be advised by an advisor of their choice at any stage of the process and to be accompanied by that advisor to any related meeting or processing. NTC will not limit the choice of advisor or presence for either the accuser or the accused in any meeting or institutional disciplinary proceeding. However, the role of the advisor is limited to not making a presentation or representing the party bringing the complaint or responding to students during the hearing. They may confer quietly with their advisee, exchange notes, clarify procedural questions with the chair and suggest questions to their advisee.
5. The accuser and the accused will be notified simultaneously, in writing, of any initial. The interim and final decision of any disciplinary proceeding; and
6. Where an appeal is permitted under the applicable policy, the accuser and the accused will be notified simultaneously in writing, of the procedures for the accused and the victim to appeal the result of the institutional disciplinary proceeding. When an appeal is filed, the accuser and the accused will be notified simultaneously in writing of any change to the result prior to the time that it becomes final as well as of the final result once the appeal is resolved.

Whether or not criminal charges are filed, the College or a person may file a complaint under the following policies, depending upon the status of the accused (student or employee):

How to file a Disciplinary Complaint on Campus

- 1) You can seek help & support AND make a formal anonymous campus report if you so choose by filling out the [Confidential Report Form Incident Reporting Form \(maxient.com\)](#). If you fear for your immediate safety, contact 911 and Campus Security, extension 1111 or 715-803-1111.
- 2) Students are also encouraged to contact Virtual Care by calling 886-533-1827
- 3) Making a formal report is NOT necessary to receive help. Reporting an incident does not mean you must go through campus judicial proceedings.

A formal campus report of an incident can be extremely helpful for the college to alert officials to incidents of violence and help create a safer campus environment.

The individual being abused may request that the NTC CARE team work with other campus staff members explore alternatives to adjust academic schedules and living.

IMPORTANT: If a student or employee discloses that they were sexually assaulted on campus, you are required to contact Campus Security about the situation. You will not be required to disclose any identifying information nor will the person assaulted have to make any report. Contacting Campus Security about such incidents is important for keeping Cleary Act statistics which ultimately help to promote a safer campus.

Off-Campus

- 1) Refer to [Where to Get Help](#) to see a list of off-campus resources to get help. Contact your local Police Department to report abuse and to help keep yourself safe, 911 or the non-emergency number. Any of the on-or off-campus resources can assist in finding information about legal options such as filing a protective/harassment order. Even if you do not plan on talking to anyone on campus about the incident, please submit a [confidential report form](#). This information will help Northcentral Technical College obtain a more accurate picture of the violence that is happening on and around campus.

Preliminary Investigation and/or Educational Conference

The College conducts a preliminary investigation into the nature of the incident, complaint or notice, the evidence available, and the parties involved. The preliminary inquiry may lead to:

- 1) A determination that there is insufficient evidence to pursue the investigation, because the behavior alleged, even if proven, would not violate the Code of Student Conduct, (e.g.: for reasons such as mistaken identity or allegations of behavior that falls outside the code);
- 2) A more comprehensive investigation, when it is clear more information must be gathered
- 3) An educational conference with the responding student occurs where they are counseled regarding their behavior by the Director of Security or designee and the matter is closed.

Investigation

- 1) An investigation is referenced above, with detailed investigation procedures described in this subsection. The Director of Security or designee will assume the responsibility for investigating allegations under this Code. 8 The investigator(s) will take the following steps, if not already completed by the Director of Student Development or designee:

- a) Initiate any necessary remedial actions on behalf of the victim (if any);

- b) Determine the identity and contact information of the party bringing the complaint, whether that person is the initiator of the complaint, the alleged victim, or a Northcentral Technical College proxy or representative;
- c) Conduct an immediate preliminary investigation to identify an initial list of all policies that may have been violated, to review the history of the parties, the context of the incident(s), any potential patterns, and the nature of the complaint;
 - i) If the victim is reluctant to pursue the complaint, determine whether the complaint should still be pursued and whether sufficient independent evidence could support the complaint without the participation of the victim;
 - ii) Notify the victim of whether Northcentral Technical College intends to pursue the complaint regardless of their involvement, and inform the victim of their rights in the process and the option to become involved if they so choose;
 - iii) Preliminary investigation usually takes between 1-7 business days to complete;
- d) If indicated by the preliminary investigation conduct a comprehensive investigation to determine if there is reasonable cause to believe that the responding student violated College policy, and to determine what specific policy violations should serve as the basis for the complaint;
 - i) If there is insufficient evidence through the investigation to support a reasonable cause, the allegations will be closed with no further action;
 - ii) A comprehensive investigation usually takes between one day and two weeks;
- e) Meet with the party bringing the complaint to finalize the Party bringing the complaint's Statement, which will be drawn up by the investigator or designee as a result of this meeting;
- f) Commence a thorough, reliable, and impartial investigation by developing a strategic investigation plan, including a witness list, evidence list, intended timeframe, and order of interviews for all witnesses and the responding student, who may be given notice of the interview prior to or at the time of the interview;
- g) A) Prepare the notice of alleged policy violation(s) based on the reasonable cause determination, which may be delivered before, during, or after the responding student is interviewed, at the discretion of the investigator(s);
- h) Interview all relevant witnesses, summarize the information they can share, and have each witness sign the summary to verify its accuracy;
- i) Obtain all documentary evidence and information that is available;
- j) Obtain all available physical evidence;
- k) Complete the investigation promptly by analyzing all available evidence without unreasonable deviation from the intended timeline;

- l) Protect the confidentiality rights of students under the Family Educational Rights and Privacy Act (FERPA) and other applicable laws.
- m) Refer all materials to the Director of Student Development or designee for determination of a formal conduct hearing.

Hearing Options & Preparation

The following sub-sections describe Northcentral Technical College's conduct hearing processes.

- 1) Once a determination is made that reasonable cause exists for the Director of Student Development or designee (or designee) to refer a complaint for a hearing, notice will be given to the responding student. Notice will be in writing and may be delivered by one or more of the following methods:
 - a) The primary mode of notification will be to the student's Northcentral Technical College-issued email account.
 - b) The notice may also be delivered in person by the Director of Security or designee, Director of Student Development or designee, or mailed to the local or permanent address of the student as indicated in official Northcentral Technical College records.

 - c) Outline the specific behavior alleged that, if true, violates the Code of Conduct;

If a responding student fails to respond to notice from the Director of Student Development or designee (or designee) of the conduct hearing or attend the scheduled hearing, the Director of Student Development or designee (or designee) may initiate a complaint against the student for failure to comply with the directives of a Northcentral Technical College official and give notice of this offense.

Unless the student responds to this notice within two business days by answering the original notice, an administrative conference may be scheduled and held on the student's behalf. As a result, the student may be administratively withdrawn from attending classes or a disciplinary hold may be placed on their Northcentral Technical College account, deeming them ineligible to register for courses or Northcentral Technical College housing until the student responds to the initial complaint.

Except in a complaint involving failure to comply with the summons of the Director of Student Development or designee (or designee), no student may be found to have violated the Code of Student Conduct solely as a result of the student's failure to appear for a hearing. In all such instances, conduct hearings will proceed as scheduled and the information in support of the complaint will be presented to and considered by, the Director of Student Development or designee. A decision regarding a student's responsibility for violating the Code of Conduct may be made in absentia by the Director of Student Development or designee and in consideration of the investigatory materials available.

Conduct Hearing Procedures

- 1) If a student cannot attend the scheduled hearing, it is that student's responsibility to notify the Director of Student Development or designee no less than three (3) days before the scheduled hearing to arrange for another date, time, and location. Except in cases of grave or unforeseen circumstances, if the responding student fails to give the required minimum three (3) day notice, or if the responding student fails to appear, the hearing will proceed as scheduled.
- 2) The Director of Student Development or designee (or designee), will conduct hearings according to the following guidelines:
 - a) Hearings will be closed to the public.
 - b) Admission to the hearing of persons other than the parties involved will be at the discretion of the Director of Student Development or designee.
 - c) In hearings involving more than one responding student, the standard procedure will be to hear the complaints jointly; however, the Director of Student Development or designee may permit the hearing pertinent to each responding student to be conducted separately. In joint hearings, separate determinations of responsibility will be made for each responding student.
 - d) The parties have the right to an advisor/advocate of their choosing, including attorneys. Typically, advisors are members of the campus community, but the parties may select whomever they wish to serve as their advisor. The advisor may not make a presentation or represent the party bringing the complaint or responding student during the hearing. They may confer quietly with their advisee, exchange notes, clarify procedural questions with the chair and suggest questions to their advisee.
 - e) The parties have the right to request reasonable accommodations during the conduct process. If one party requests accommodations, they will be offered to all involved parties. Law these accommodations may include, but are not limited to:
 - (i) Additional time to review the documentation
 - (ii) Providing documentation in an accessible format
 - (iii) Allowing additional break times during interviews/hearings
 - (iv) Making available interpreters/assistive technology
 - (v) Including Disability Services staff in the process
- 3) Pertinent records, exhibits, and written statements may be accepted as information for consideration by the Director of Student Development or designee. Formal rules of evidence are not observed. The Director of Student Development or designee may limit the number of character witnesses presented or may accept written affidavits of character instead.
- 4) The parties will have the opportunity to review all relevant documents/exhibits and can request copies through the Director of Student Development or designee. NTC reserves the right to redact student names as required under FERPA.

- 5) All procedural questions are subject to the final decision of the Director of Student Development or designee.
- 6) After a conduct hearing, the Director of Student Development or designee will determine by a preponderance of evidence standard, if the student committed a policy violation and will determine an appropriate sanction(s).
- 7) The Director of Student Development or designee informs the responding student and party bringing the complaint (if applicable by law or Northcentral Technical College policy) of the final determination within 7 business days of the hearing.
- 8) Notification will be made in writing and may be delivered by one or more of the following methods:
 - A) The primary mode of notification will be to the student's Northcentral Technical College-issued email account.
 - B) The notice may also be delivered in person by the Director of Security or designee, Director of Student Development or designee, or mailed to the local or permanent address of the student as indicated in official Northcentral Technical College records.

Once mailed, emailed, and/or received in person, such notice will be presumptively delivered. In cases of sexual misconduct and other crimes of violence, a notice of the outcome will be delivered to all parties simultaneously, meaning without substantial delay between the notifications to each.

One or more of the following sanctions may be imposed upon any student for any single violation of the Code of Student Conduct:

This may include developing a Performance Improvement Plan (PIP), which outlines expected performance behavior, action steps, timelines, and resources to improve performance and behavior. When appropriate, progressive disciplinary steps will be followed in employee disciplinary matters, except in matters NTC determines need to be addressed outside of the progressive system. This does not preclude the College from taking any appropriate action necessary, in any order, or proceeding directly to discipline or termination action, as determined by the College. Disciplinary actions may include Verbal Warnings, Written Warnings, Performance Development Plans (PDP), Performance Improvement Plans (PIP), Suspensions, or Dismissals. The employee's immediate supervisor will coordinate with Human Resources to administer any appropriate corrective or disciplinary action. Appropriate action will be determined based on factors such as severity, frequency, degree of deviation from expectations, and length of time involved. Any steps may be bypassed based on the individual situation. Employees may have representation in meetings that may result in disciplinary action that affects the employee's compensation. It is the employee's responsibility to arrange representation.

Retaliation

The District prohibits and will not tolerate any harassment or retaliation against a person who files a report or against any person identified as a witness or otherwise involved in the report. The District will take immediate disciplinary action against any person engaging in this behavior.

College-Initiated Protective Measures

In addition to those protective measures previously described the Title IX Coordinator or their designee will determine whether interim interventions and protective measures should be implemented, and, if so, take steps to implement those protective measures as soon as possible. Examples of interim protective measures include but are not limited to: a College order of no contact, residence hall relocation, adjustment of course schedules, a leave of absence, or reassignment to a different supervisor or position. These remedies may be applied to one, both, or multiple parties involved. Violations of the Title IX Coordinator's directives and/or protective measures may constitute related violations that may lead to additional disciplinary action. Protective measures imposed may be temporary pending the results of an investigation or may become permanent as determined by NTC.

Sex Offender Registry

In accordance with the "Campus Sex Crimes Prevention Act" of 2000, which amends the Jacob Wetterling Crimes against Children and Sexually Violent Offenders Registration Act, the Jeanne Clery Act, and the Family Educational Rights and Privacy Act of 1974, the NTC Security Department is providing a link to the Department of Corrections Sex Offender Registry.

This act requires that institutions of higher education issue a statement advising the campus community where law enforcement information provided by the state concerning registered sex offenders may be obtained. It also requires sex offenders already required to register in a state to provide notice of each institution of higher education in the state in which the person is employed, carries a vocation, or is a student.

Registry information provided under this section shall be used for the administration of criminal justice, screening of current or prospective employees, volunteers, or otherwise for the protection of the public in general and children in particular. **Unlawful use of the information for purposes of intimidating or harassing another is prohibited and willful violation shall be punishable to the fullest extent of the law.**

The Department of Corrections is responsible for maintaining this registry. Follow the link below to access the Department of Corrections Sex Offender Registry Website: <http://offender.doc.state.wi.us/public/>

Procedures Students and Employees Should Follow in Case of a Fire

In the event of a fire, Northcentral Technical College expects that all campus community members will evacuate to the nearest exit, closing doors and activating the fire alarm system (if one is present) as they leave. Once safely outside a building, it is appropriate to contact 911 and the NTC Security Department. In the event

fire alarms sound, College policy is that all occupants must evacuate from the building, closing doors as they leave.

Fire Safety Information

In case of fire, there are fire pull boxes located throughout each building. If you encounter a fire, and the fire alarm is not sounding, pull the nearest alarm box, leave the building and call 911 as well as call the Manager on duty at Office # 715-803-1697 or Cell #715-573-1401. Portable fire extinguishers are located in all buildings. If a fire alarm sounds in your building, leave the building immediately. If possible, close all doors when exiting, and use stairs. Do not use elevators. Do not enter the building until local emergency response personnel notify you that it is safe to do so.

- 1) If you discover a fire:
 - a) Pull the closest fire alarm. If there is no immediate threat, a fire extinguisher should be used to extinguish the blaze.
 - b) Try to notify the Fire Department (911) and RA on duty at 715-216-4932. Do not put yourself in danger! Be prepared to give an exact location and your name.
 - c) If you are unable to reach a fire alarm pull station, call 911 to report the emergency to the Fire Department and call the RA on duty after at 715-216-4932.
 - d) Alert others in the area.

Procedures for student housing evacuation in case of a fire

- 1) If you hear a fire alarm:
- 2) Evacuate the building immediately. Leave all personal items behind.
- 3) Close your doors and windows if time permits. This helps to suffocate the fire.
- 4) Follow your assigned evacuation plan. Do not run.
- 5) Once outside the building, report to your check-in station so that you may be accounted for. The check-in station is across the parking lot in the grass.

What to do if a fire prohibits you from evacuating:

- 1) Close the door securely and attempt to seal any openings through which smoke or gas could enter.
- 2) Open exterior windows and crouch close to the floor at the open window.
- 3) Alert those outside that you are unable to get out. Do not panic. Fire Department procedures require that rescue operations take precedence over other emergency activities.
- 4) Fire drills are scheduled monthly to test the evacuation procedures for Timberwolf Suites.

Policies regarding fire safety education and training programs provided to the students and employees

Staff is all trained by the Fire department in extinguishing fires and safety features of the building (how fire sprinkler systems work, how the fire department is notified in an emergency, how long it takes for them to respond, what their procedures are when there is a fire in the building, and where everyone should meet).

For purposes of including a fire in the statistics in the annual fire safety report, a list of the titles of each person or organization to which students and employees should report that a fire occurred
