Disclaimer: Students planning to transfer should contact NTC's Transfer Specialist and transfer personnel at Purdue University Global for the most current transfer information. Purdue Global operates on the quarter system (1 quarter credit=1.5 semester credits). Bachelor's degrees are 180 quarter credits, which equates to 120 semester credits. This worksheet does not constitute an official evaluation of a student's prior learning. All students who possess transfer credit and prior learning are encouraged to submit evidence of such and apply for credit evaluations. All credit is reviewed on a case-by-case basis, and is awarded ultimately at the discretion of the University. To be considered, official transcripts must be sent to the University Office of the Registrar for evaluation. □
