

University Transfer Academies

NTC is excited to announce two new Academies for the 2025 - 2026 school year!

Pre-Health Academy

Are you interested in Health Careers? If so, this academy was built with you in mind! This academy can be completed fully online, or have a hybrid option for Anatomy and Physiology class!

You will take classes alongside other high school students and enrolled college students. By completing this academy, you can earn up to 16 college credits and then transfer to the college of your choice. Talk with your school counselor for details!

Classes:

- Spanish 1 (10802100) - 4 credits
- General Anatomy & Physiology (10806177) - 4 credits (virtual or hybrid)
- *Medical Terminology (10501101) - 3 credits- Offered as Dual Credit*
- English Composition 1 (10801136) - 3 credits
- *Optional CNA (10801136) - 2 credits*

Pre-Education Academy

Do you dream of becoming a teacher? If so, you can get a jumpstart with this academy! Classes are entirely online!

You will take classes alongside other high school students and enrolled college students. By completing this academy, you can earn up to 16 college credits and then transfer to the college of your choice. Talk with your school counselor for details!
