# Transfer

You can start here and go anywhere through NTC's transfer agreements that give you the opportunity to continue your education. Save money in tuition when you begin your college career at NTC, then transfer the credits that you earn to another higher education institution to earn a bachelor's degree.

Prepare for your future goals:

- Understand the steps in the transfer process
- See how credits transfer by program or partner college
- View partner college tuition and scholarships
- Participate in transfer events

[www.ntc.edu/transfer](http://www.ntc.edu/transfer)

The University Transfer Associate Degree program prepares you to transfer to a four-year university or college at junior status. After completing this program, students are prepared to transfer to most public or private colleges and universities, both inside and outside of Wisconsin.

# Get a jump start in high school

## Dual Credit

Dual credit allows high school students to earn college credits and save money on tuition while still in high school. Dual credit is an arrangement where you can earn both high school and college credit. Technical college courses are taught in the high school by college-certified high school instructors at no cost to the student or high school.

## Why Take Dual Credit:

- Save time and money
- Get a jump start on college
- Experience a real college level course
- Transfer your credits to the college of your choice

[www.ntc.edu/dual-credit](http://www.ntc.edu/dual-credit)

## Youth Apprenticeship

The Youth Apprenticeship (YA) program is a rigorous one or two-year elective statewide program that combines academic and technical instruction with mentored, paid, on-the-job learning that makes a real-world connection for students.

[www.ntc.edu/ya](http://www.ntc.edu/ya)

NTC'S YA PROGRAM IS  
EXPONENTIALLY GROWING AND  
IS PROUD TO PARTNER WITH  
**OVER 300**  
EMPLOYERS IN OUR DISTRICT.

## K-12 Events

NTC partners with area middle and high schools to help students meet their academic and career planning goals through events designed to introduce students to career pathways, inspiring students through hands-on activities.

[www.ntc.edu/k12events](http://www.ntc.edu/k12events)

In the 2025-2026 school year, prospective students will have many exciting and new opportunities to visit NTC and dive into our wide range of program areas. From hands-on demonstrations to one-on-one conversations with faculty, staff and current students, each visit will offer a meaningful way to explore what NTC is all about. Every visitor will get an up-close look at our state-of-the-art labs and learning spaces and an accurate feel for what it is like to be part of our campus community.

## Campus Tours

Tour our campus and discover how the NTC experience can be part of your future. Discover your college and career options through an individual tour or school group tour by visiting:

# Experience college

## Student Life

Student Life is the living and learning that takes place outside of the classroom. It's about finding your fit as a Timberwolf! Through leadership, exploration, advocacy and development, you'll form friendships and become a part of a community that makes your college experience more than a collection of courses.

Our fun, interactive programming complements what you learn in the classroom while giving you opportunities to:

- Become part of the NTC community
  - Grow your personal and professional network
  - Build your leadership skills
  - Explore and develop as an individual
  - Enhance your success skills
  - Prepare for life after college
- [studentlife.ntc.edu](http://studentlife.ntc.edu)

## Timberwolf Ready Orientation

Once you've scheduled your classes, Timberwolf Ready Orientation is your next step to success. In this live session—on campus or via Zoom—you'll get hands-on help with tools like Workday, Canvas and your NTC email, plus tips for textbooks, your schedule, student resources and more. Join us to feel confident, connected and ready to thrive at NTC. Bonus: in-person sessions include a campus tour! You'll receive more information from your advisor once you're scheduled for classes.

## Clubs

Student clubs provide you with unique opportunities to become engaged on campus and within the community. With 20+ active student groups spanning a variety of programs and interests, you're sure to find a club that's the right fit for you, or you can even start a new club to match your unique hobby!

Some clubs on campus:

- Beta Rho Zeta Chapter of Phi Theta Kappa
- Business Professionals of America
- Computer Club
- Culinary Arts Club
- Dental Hygiene Club
- Professional Agricultural Students
- Student Nurse Association
- Welding Club

[studentlife.ntc.edu/clubs](http://studentlife.ntc.edu/clubs)

## Sports

We are excited to offer a robust collection of recreational and wellness activities including recreational sports, wellness events and other programs related to your mental, emotional and physical wellbeing.

Examples include:

- Volleyball
- Basketball
- Flag Football
- Soccer

[studentlife.ntc.edu/recreation](http://studentlife.ntc.edu/recreation)

## Esports

Our collegiate varsity esports teams compete as members of the National Junior College Athletics Association Esports (NJCAA) and the Wisconsin Esports Conference (WEC). Student-athletes compete in NTC's state-of-the-art esports arena with opportunities for all competitive levels.

# Paying for college

## Important Information & Next Steps:

The Free Application for Federal Student Aid (FAFSA) will now officially be available each year starting October 1, thanks to a new law that guarantees this release date for all future application cycles. If you're hoping to start classes in Spring 2026, the 2025-2026 FAFSA is available to complete. If you are planning to start college in Fall 2026, you'll want to fill out the 2026-2027 FAFSA when it opens on October 1, 2025.

### STEP 1

Go to [StudentAid.gov](https://StudentAid.gov) to create your FSA ID, which is your username and password. Both the student and the parent will each need their own FSA ID.

### STEP 2

Apply for financial aid with NTC's school code 005387.

#### What you will need:

- Social security number
- Driver's license number
- Alien Registration Number (if you are not a U.S. citizen)
- Records of untaxed income, such as child support received and interest income
- Tax information from two years prior in the academic year. For example, if you are looking to attend college in Fall 2026, you would file the FAFSA using tax information from 2024.
- Information on cash; savings and checking account balances and investments

### STEP 3

NTC's Financial Aid Office will email you after receiving your processed FAFSA.

#### Check your NTC student email account for additional information about financial aid which may include:

- Request for additional documents needed to fully process your FAFSA (referred to as verification)
- Notification of a financial aid offer
- Book voucher eligibility
- Work-study

**Please note:** Along with filing the FAFSA, students need to be accepted into an eligible program and enrolled in classes that count toward their program of study to be offered financial aid. Most communications from the Financial Aid Office will come by email and through notifications and tasks in your Workday student account. We recommend checking your NTC email regularly and logging into Workday to stay on top of any updates.

Email: [financialaid@ntc.edu](mailto:financialaid@ntc.edu)  
Phone: 715.803.1647

## Dependent Student vs. Independent Student

A dependent student is assumed to be financially supported by their parents, is usually under the age of 24, unmarried, without dependents and not a veteran or currently serving in the U.S. military. Not living with parents or not being claimed by them on tax forms does not make you a student independent for purposes of applying for federal student aid. If you don't have contact with your parents, don't know where they live, have left home because of an unsafe or abusive situation or your parents won't provide their information, please reach out to us in the Financial Aid Office to help and walk you through your options.

## NTC Promise

NTC Promise provides free college tuition for qualified local high school graduates in the NTC district. This opportunity helps high school seniors realize their dreams of attending college while reducing financial barriers and ensuring a skilled workforce for our communities.

Through the generosity of the NTC Foundation, businesses and individual donors, the cost of tuition and fees will be covered by donated funds after federal and state financial aid (excluding loans and work-study) and scholarships have been applied.

We will provide up to five consecutive semesters of tuition free attendance for qualified students (up to 15 credits per semester; does not include summer semester) who meet ongoing requirements.

Promise participants will receive individual guidance and support from a dedicated advisor as they navigate the eligibility requirements of their program.

If you're ready to get started, just fill out our online application and we will follow up with you to walk you through the next steps.

[www.ntc.edu/promise](https://www.ntc.edu/promise)

NTC awarded financial aid upwards of **10 million dollars** from state and federal funds in the last academic year.

# Support for college

## Scholarships: Apply for a Scholarship

Scholarships can be applied for twice a year, in the fall and spring semesters. Any awards will be applied to the following semester.

### Before applying, you should know:

- Many NTC Foundation scholarships are established with specific criteria; however, ONE application works for ALL available scholarships
- NTC Foundation scholarships are NOT cash awards; scholarships are deposited directly into student accounts at the beginning of the following semester
- Scholarship awards may be taken into account on your next year's Federal Financial Aid application
- If your books and tuition are fully covered by another entity such as dislocated worker or veteran's benefits, these scholarships may not be helpful to you [ntc.academicworks.com](http://ntc.academicworks.com)

External scholarships can also be accepted at NTC.  
[www.ntc.edu/scholarships](http://www.ntc.edu/scholarships)

## Work Study: Financial Aid

Financial aid helps you and your family pay for your education. Some aid needs to be paid back, while some is considered gift-aid (including grants and scholarships) and does not need to be repaid if satisfactory academic progress is being made.

The amount of financial aid you are eligible for depends on a number of factors, such as your financial need, veteran status and other variables.

The work-study program provides part-time jobs for eligible students with financial need, allowing them to earn money to help pay educational expenses. Eligibility is determined by completing the FAFSA (Free Application for Federal Student Aid).

## Veterans Affairs (VA) and Military Benefits

Veterans, service members and their eligible dependents may qualify for VA and military benefits. Benefits could potentially cover the cost of tuition and/or offset other costs associated with your education.

### GI Bill Hotline:

- 1.800.698.2411

## Payment Plans

Make college more affordable by paying for tuition and fees over time. Tuition payment plans break down your tuition balance into affordable monthly payments. There's no interest, payment options are flexible, setup fees are affordable and it's easy to enroll on your Workday account.

### Payment Methods:

- Automatic bank payment (ACH)
- Credit/debit card

### Cost to Participate:

- \$25 nonrefundable enrollment fee per semester (ACH & credit card/debit card)
- \$10 late payment fee and \$30 nonrefundable returned payment fee if a payment is returned
