Metal Masters Quest

Metal Masters Quest gives high school students the opportunity to complete adult apprenticeship machining classes online through Northcentral Technical College (NTC) to build the foundational knowledge needed to work in manufacturing machining. You will have the opportunity to work at a local business (if there is a position open) during and after your training to develop the skills you need to be successful.

Benefits to Students:

- Begin adult apprenticeship classes at no cost
- Gain hands-on experience with local employers (Optional)

Students will complete the following adult apprenticeship courses online:

- ENGINEERING DRAWINGS FOR MACHINE TRADES APPRENTICES (1)
- MATHEMATICS FOR THE MACHINE TOOL TRADE (1)

These courses ladder into NTC's Machine Tool Technical Diploma courses:

- APPLIED MATHEMATICS 1
- MACHINE TOOL CALCULATIONS
- PRINT READING FOR THE MACHINE TRADES 1
- PRINT READING FOR THE MACHINE TRADES 2

JULY 6 -
AUGUST 21
