

Professional Judgment Request Due to Special Circumstances 2025-2026

Financial aid eligibility for the academic year is calculated based on the information you provided on the Free Application for Federal Student Aid (FAFSA). For the 2025-2026 academic year, FAFSA uses 2023 tax return information to determine financial aid eligibility.

The Financial Aid Office recognizes that students may have changes in income or family situation that cannot be reflected in the 2023 tax return data. Therefore, it is possible for students to appeal their financial aid eligibility if they have unique financial circumstances.

INSTRUCTIONS

Students admitted into a financial aid eligible program may request for a professional judgment request due to extenuating circumstances, which you believe warrant a re-evaluation of your financial aid. **PLEASE NOTE:** if your 2025-2026 FAFSA results in a calculated Student Aid Index (SAI) of 0 to -1500, you are eligible for the maximum amount of need-based aid. While all requests will be considered, not all requests will result in additional federal student aid.

Special circumstances may include, but are not limited to:

- Loss or change of employment
- Loss or change in amount of child support, Social Security, or other benefits
- Death, Divorce or Separation of parents or spouse
- Unusual medical expenses (not covered by insurance)
- One-time taxable income used for life changing events (e.g. IRA, pension distribution, back-year Social Security payments)

Circumstances that are NOT considered special and will NOT be reviewed:

- Standard living expenses (utilities, credit card payments, mortgages, rent, medical insurance premiums)
- Chapter 7 personal bankruptcy
- Anything that "might happen" in the future such as a pending reduction in income
- All other discretionary expenses.

YOUR SPECIAL CIRCUMSTANCES FORM MUST INCLUDE THE FOLLOWING:

- ✓ This form, completed, signed, and dated by the student, spouse or parent, as applicable.
- ✓ A self-written/signed letter explaining your situation.
