Connect Your
Business to
NTC Students
and Graduates

2019-20

NTC offers a variety of opportunities and events to connect businesses with students and graduates. How can we serve your business?

Job Fairs: Employers may provide information in an open forum for students and graduates at NTC campuses.

Graduate List: Employers may request contact information for specific program graduates for recruitment purposes.

Mock Interviews: Employers may participate in mock and formal interviews held on the NTC campuses.

Business Tour: Employers may sponsor student/faculty tours to provide insight to unique career opportunities and business operations.

Lunch & Learn: Employers may sponsor informational lunch sessions to create awareness of career and industry options and meet future employees.

Tabling Event: Employers may request a table near student classrooms and labs to create awareness of career and industry options.

Wisconsin TechConnect: Employers may utilize this free online employment resource, specifically designed for students and graduates of the Wisconsin Technical College System. For more information about wisconsin techconnect visit: www.wisconsintechconnect.com

Benefits of posting positions on Wisconsin TechConnect are:

- Employers can post open job positions locally or statewide.
- NTC students are automatically registered for Wisconsin TechConnect and receive email notifications of related program postings.
- NTC faculty receive program job postings via email to help promote your positions to students.
- NTC students have equal access and equal opportunity to apply to your positions.

Internship: Employers may request a program-specific student for internship experiences.

Program Advisory Committee: Employers may serve as academic program advisors, helping to guide curriculum and identifying industry needs.

Investment in Incumbent Workforce: Employers may allow NTC's adult recruiter to share educational opportunities with current employees, including credit for prior learning during team meetings or lunchroom tabling events.

Youth Apprenticeship: An employer mentored on-the-job program training for 450 hours a year, working with high school juniors/seniors who want to get a jump start on their future career.
