

Gainful Employment Disclosure

The U.S. Department of Education (DOE) requires that all institutions participating in federal Title IV student financial assistance programs publicly disclose certain data for all Gainful Employment programs, as designated by DOE definitions.

Below you will find Gainful Employment information for the following Northcentral Technical College program that fits DOE criteria for the 2019-20 academic year.

MEDICAL OFFICE SPECIALIST

- ❖ This program is designed to be completed in 1 year.
- ❖ This program will cost approximately \$6,127 if completed within normal time. There may be additional costs for living expenses and out-of-state residents. These costs were accurate at the time of posting, but may have changed. Costs are calculated based on 2019-20 tuition rates and 2018-19 book, supplies and material rates.
- ❖ NTC is required to provide median debt for students who complete this program within normal time. Due to fewer than 10 students completing this program or completing the program within normal time during the 2017-18 academic year, the median debt of graduates has been withheld to preserve the confidentiality of the students.
- ❖ NTC is required to provide information about meeting licensure requirements in any states applicable for this program. Currently this program has no licensure requirements in any state.
