

Metal Masters Quest

Metal Masters Quest gives high school juniors and seniors the opportunity to complete machining classes at Northcentral Technical College (NTC) to build the foundational knowledge needed to work at area businesses. You will have the opportunity to work at a local business during and after your training to develop the skills you need to be a pre-apprentice.

Benefits to Students:

- Gain hands-on experience with local employers
- Get paid to develop your skills
- Opportunity to be in the Youth Apprenticeship (YA) program allowing you to earn high school elective and NTC credits
