

# Parent Refusal to Provide Information Form 2023-2024 Academic Year

The U.S. Department of Education gives schools the authority to offer financial assistance when there is clear indication that a student's parents have ended **ALL** financial support and **REFUSED** to complete and sign a Free Application for Federal Student Aid (FAFSA). Students completing this form are **ONLY** eligible for Federal Direct Unsubsidized Loan at the dependent student loan limit. **NO** other federal, state, or college need-based aid will be available, including the Federal Direct Parent PLUS Loan.

**Students Please Note:** In situations where your parents refuse to provide their information on the FAFSA and refuse to provide you with any financial support, there is an exception that allows a student to submit the FAFSA without parental information and apply for an Unsubsidized Direct Loan at the discretion of a financial aid administrator. This Parent Refusal form waives the requirement for parent information on your current FAFSA application. This form does not constitute you as independent according to FAFSA standards.
