

# Drone Operator Training

## *Offered at the Wausau Downtown Airport*

Northcentral Technical College (NTC) is pleased to partner with Lemmens Creative Design, LLC and Wausau Flying Service to present drone training for the central Wisconsin area.

### **COURSE DESCRIPTION: PART 107 TEST PREP PLUS**

This course will begin to delve into the avenue for becoming a certified FAA sUAS pilot and will also include maintenance, pre- and post-flight checks and plans and more. Led by an experienced drone pilot and featuring guest lessons by area flight instructors, this course will prepare students and businesses to take the FAA's Part 107 Remote Pilot Exam; upon completion of an exam, students would be certified to operate a drone for commercial and/or business purposes.
