TECHNICAL COLLEGE

# WOOD TECHNOLOGY DISCOVERY DAYS

NTC ANTIGO CAMPUS

October 22, 2019 & OCTOBER 23, 2019

Instructors, on October 22 or 23, bring a group of your students to experience NTC's state-of-the-art Wood Technology Center of Excellence during a two-hour event where students will be able to:

- Explore career opportunities within the forest products industry and will learn why there is a huge demand for college graduates of wood programs
- Complete a hands-on project that they can keep by working with six major machine centers: Planer, Optimizing Ripsaw, Optimizing Chopsaw, Clamp Carrier, Widebelt Sander and CNC Router
- See mechanical testing demonstrations showing the strength properties of various wood species
- Tour the Wood Technology Center of Excellence and learn about the program that are available

ADDITIONALLY:

- NTC will pay for bus transportation
- All students will be placed in a free drawing
- Plus, students will get a chance to tour NTC's Machine Tool lab!
