## Apply to Win **\$5,000** in Scholarship Funds

**Apply by April 26, 2019**

At Ellucian, we believe in the power of education. Through our work with colleges and universities, we see the reality that comes when students juggle the demands of life and their studies. Yet, when we all work together to support students by creating pathways and programs that help guide success, and financial support along the journey, we all succeed as a society. In support of this greater potential, Ellucian invites your institution and students to apply for the Ellucian Pathways Scholarship.

---

**Ellucian will award \$5,000 in scholarships to (20) TWENTY STUDENTS from institutions with guided pathways programs.**

- Work with the guided pathways office or champion at your institution to get proof of your guided pathways program. If you're not sure where to start, check with Academic Affairs or Student Success.
