

At Alfred University students define their path by immersing themselves in a community that values originality, supports mentorship, and fosters self discovery. With over 60 majors and 70 minors, state-of-the-art facilities including our 29+ kilns, Stull observatory, Equestrian Center and undergraduate research opportunities like the Space Materials Institute, our students are innovators and leaders!

We strive to be innovators in everything we do, including reducing the financial and social barriers to excellent education. We understand that financial aid is an important consideration for many transfer students and are committed to supporting transfer students see Alfred as an affordable option.

Here are just a few of the awards and scholarships we offer just for transfers!

Alfred University Transfer Scholars Award- Deadline: June 1

This award is available to any student enrolled in a community college degree program. Students must be nominated by a faculty, staff, or nominating committee, have a cumulative 3.0 GPA and must have earned at least 24 college credits (after completing a high school degree or equivalent) prior to nomination. The selected recipient will receive \$30,000 per year (or \$18,000 per year for NY State students attending our Art & Design or Materials Engineering programs receiving SUNY support) while attending AU.

Phi Theta Kappa Scholarship

Full-time students who are currently members of PTK will automatically be considered for this scholarship ranging in value between \$13,000- \$27,000 depending on major and residency. The scholarship is renewed each year the student attends AU as long as they are in good academic standing.
