

Earn College Credit Through Youth Apprenticeship

Youth Apprentices learn valuable skills through their employment experiences and have the opportunity to earn college credit based on their successful completion of select Youth Apprenticeship (YA) programs.

Check out the NTC courses that Youth Apprentices may receive credit for and the programs they apply to!

YA UNIT COMPLETED	NTC COURSE
AGRICULTURE, FOOD AND NATURAL RESOURCES	
General Animal Unit and Large Animal/ Herd Unit	10-091-177 Agricultural Internship
General Plant Unit and Crops Unit	10-093-103 Agriculture Equipment Safety
MANUFACTURING	
Machining Unit	10-420-101 Introduction to Machine Shop
Welding Unit	10-442-101 Introduction to Welding
STEM	
Civil Engineering Unit	10-607-100 Introduction to Civil Engineering Technology
Engineering Drafting Unit	10-623-200 Interpreting Engineering Drawings
Mechanical/Electrical Engineering Unit	10-606-105 Technical Drafting/CAD
TRANSPORTATION, DISTRIBUTION AND LOGISTICS	
Auto Technician Unit (1- or 2-year program)	10-602-107 Auto Service Fundamentals
Brakes & Hydraulics System Module within Diesel Technician Unit	10-412-119 Diesel Brake Systems 1 10-412-125 Diesel Brake Systems 2
Collision Repair Basics Unit & Nonstructural Analysis & Repair Unit	32-405-322 Introduction to Body Shop
Diesel Technician Unit (1- or 2-year program)	10-412-120 Diesel Preventative Maintenance 1 10-412-127 Diesel Preventative Maintenance 2
Distribution & Transportation Operations Unit	10-182-135 The Role of Logistics 10-182-136 Transportation Management
Electrical/Electronic Systems Module within Diesel Technician Unit	10-412-118 Diesel Electrical Systems 1 10-412-123 Diesel Electrical Systems 2
Inventory Management & Production Unit	10-182-125 Foundations of Inventory
Planning & Purchasing Unit	10-182-127 Evaluating the Purchasing Process 10-182-128 Purchasing Process
Storage & Warehousing Unit	10-182-135 The Role of Logistics 10-182-137 Warehousing
