**K-12 Technology Summer Workshop**

**Monday, August 3<sup>rd</sup>, 2015**

**7:30 AM – 3:30 PM**

**SIGNUP: Register and pay the day of the workshop. Breakfast and Registration will be between 7:30-8:00 AM at Northcentral Technical College [NTC], Wausau, WI Campus (Room location TBD) You can pay with check or credit card. Make checks payable to Marian University. Please note you can take this course for 2 credits. A grade will be issued at the end of August.**

**Course Title: Technology Applications for Educators**

**Graduate Credits: 2**

**Cost: \$500**

**This workshop provides an opportunity for K-12 professionals to learn new and innovative ways to use technology in their classrooms. Through the use of large group sessions, small breakout sessions and facilitated group time, participants will explore online preparation and productivity tools, cutting edge classroom and presentation tools.**

**A (2-3) page paper summarizing the workshop and addressing how the new information will be implemented will be due via email by August 10<sup>th</sup> to [heidi.wheaton@oshkosh.k12.wi.us](mailto:heidi.wheaton@oshkosh.k12.wi.us)**
