Important Information about using Veteran Benefits at NTC
1. The federal VA will only pay for courses that are required for graduation from your VA eligible program.
2. Students wishing to use WI GI Bill benefits must submit the application to the school and WDVA by the 14th calendar day of the term for consideration.
3. After enrolling in classes each semester, you must notify the NTC Certifying Official of your enrollment and intent to use benefits by completing the online veteran benefit notification form which can be found on the veterans page at www.ntc.edu.
4. VA benefits are paid according to dates of classes. Therefore, accelerated/short classes can have a significant impact on your payments.
5. If you are eligible for a book stipend, be prepared to pay out-of-pocket for books as the book stipend may not arrive in time for classes.
6. Students should be ready for unexpected delays in processing and payments as the VA can get overloaded with claims.
7. Students using Chapter 30, 1606 and 1607 must verify their attendance every month to receive payment. This can be done online at http://www.gibill.va.gov/wave or by calling 1.877.823.2378.
9. Students are responsible for all expenses not covered by the veteran benefits.
