

1. Browse to <http://intranet.ntc.edu>
2. Scroll down and click the IP video streams link at the bottom under Other Resources
3. User name: guest
Password: no password needed
4. Under Sub-folders, click NTC Events
Scroll the list
Click Watch in front of the one you wish to watch
Click Start Streaming on the next screen

If you get a popup asking to run Active X, click OK.

If you need assistance, please contact the NTC Help Desk at extension 1160, or 715-803-1160, or via our help desk website <http://myhelpdesk.ntc.edu>.

Thank you!
